

International Payment Fees

I. International transfers in the local currency of the recipient country

For international payments in the local currency of the recipient country, you will be charged a variable fee from the transfer value, subject to the minimum and maximum fees listed below. The variable fee depends on the base currency of your account and recipient currency. Senders making an international payment from a non-listed base currency will be charged an equivalent fee in their currency.

These fees apply from 29 March 2024, to see the previous fees, please click [here](#).
