

International Payment Fees

I. International transfers in the local currency of the recipient country

For international payments in the local currency of the recipient country, like when you send USD to the USA, you will be charged a variable fee of the transfer value, subject to the minimum and maximum fees listed below. The variable fee is dependent on the base currency of your account and where you are sending it to. Senders making an international payment from a non-listed base currency will be charged an equivalent fee in their currency.*

*These fees apply from 12 December 2022.

II. International transfers in currencies other than the local currency of the recipient country

For international transfers in currencies other than the local currency of the recipient country, you will be charged a flat minimum fee. This fee varies depending on the currency of the recipient as outlined in the table below. Senders making an international payment from a non-listed base currency will be charged an equivalent fee in their currency.
