It does not matter whether your first payment is valued just over €1 (or currency equivalent), if it is has a much greater value, or if you make multiple card payments (each valued more than €1 (or currency equivalent)), as you'll still only be entered into the prize draw once where you meet the criteria under **"What do I need to do to take part in the Promotion?"**.

The winner will be chosen and announced within a maximum of 15 days after the end of the Promotional Period. If we confirm you are the winner but your Revolut Personal account is closed before the prize is awarded and paid for, you will forfeit your prize.

These Promotion Terms set out the rules that apply to the Promotion, and you must comply with these Promotion Terms and also the [terms](#) that apply to your Revolut Personal account at all times when participating in the Promotion.

On the Revolut landing page on the website, you will be able to see important details in relation to the Promotion including the Promotion Terms, Promotion Period as well as the Cashback Offer available to you. Once you have provided your phone number, you will be directed to the sign up flow for a Revolut Personal account
- **Follow the steps for opening a Revolut Personal account and pass our Know Your Customer ("KYC") checks** with an active Personal account (no restrictions) before the end of the Promotion Period (if you already have a Revolut Personal account or you've had one previously with any Revolut group company you won't be eligible for the Promotion).
- **Top up your Revolut Personal account** with an amount of your choice so you have money to use to make a card payment.

How do I enter the Prize Draw?

If you have completed the criteria under **"What do I need to do to take part in the Promotion?"**, you will be counted in the prize draw once for your entry.

Your chances of winning will also remain the same regardless of which Eligible Market you live in as all eligible candidates' names will be entered just once where the relevant criteria is met.

How will Revolut select the winner?

At the end of the Promotion Period, Revolut will select one winner from the pool of eligible candidates that have successfully passed KYC and have completed one card payment transaction. Revolut will get in touch with that person to tell them they're the winner via a push notification and email.

We will provide you with a 48-hour window from the time we initially reach out to you to confirm your and your plus one's details and availability. If you do not respond within the 48-hour window, we will proceed with selecting another customer as the winner.

If we contact you to tell you have won but within 48 hours of contacting you we realise that you do not meet the eligibility requirements, we will be unable to award you with the prize and we will reach out to the customer who has been randomly selected as the second winner of this Promotion.

The winner will be chosen and announced within a maximum of 15 days after the end of the Promotional Period. If we confirm you are the winner but your Revolut Personal account is closed before the prize is awarded and paid for, you will forfeit your prize.
