

Bank Topup Cashback Campaign Terms

What is the campaign about?

The Bank Topup Cashback Campaign (the "**Campaign**") offers the opportunity to receive, as a reward, maximum ¥5,000 of cashback on Revolut card payments made to customers who top-up from a domestic bank account and pay with Revolut card at physical merchants during the Campaign Period.

The Campaign runs from 5 September 2023 to 30 September 2023 (Japan Time) (the "**Campaign Period**").

Who is eligible for the campaign?

You can take part in the Campaign if you (i) are a user of Revolut app provided by Revolut Technologies Japan, Inc. (ii) top up your Revolut account from a domestic bank account and spend with Revolut card during the Campaign Period, and (iii) received the email or push invitation for the campaign.

The Campaign does not apply to top-ups by cards and payments to virtual wallets, financial institutions, prepaid cards, gift cards etc.

How much do I get?

The total amount you can earn will be 5% of the total completed card payments at physical merchants, capped at ¥5,000.

How do I get cashback?

The cashback you earn will be credited to your JPY account by mid-November.

How is the cashback amount calculated for non-JPY payments?

If you make non-JPY payments, we will, at our sole discretion, determine the prevailing exchange rate on the relevant payment day and convert the paid amount into JPY. A cashback amount is calculated based on such JPY amounts as converted.
