- 1.3. You and we will fulfil our obligations, within the specified time limits, under this Credit Agreement; and
- 1.4. The interest rate and other costs referred to into the Credit Agreement will not change and will be applied until the end of the Credit Agreement.

- a) You provide us with any information that we believe is false, inaccurate, or misleading;
- b) You breach the terms of this Credit Agreement, or any other terms and conditions that you have agreed with us or a Revolut group company; or
- c) Your creditworthiness changes.

2.4. If we refuse to make a disbursement, we will let you know, this Credit Agreement will immediately expire. If this happens, we will let you know in the Revolut App or by email.

3. Purpose of the credit

We only agree to disburse credit to you on the condition that you will use it for a personal purpose which is not related to business, trade, or profession.

4. Repayment of the credit

4.1. You must repay to us any disbursements made under this Credit Agreement. Your Repayments must be made in the currency of the credit.

4.2. Your Repayments must be made in individual instalments, in the amounts and at the frequency set out in the Repayment Schedule.

4.3. The amounts set out in the Repayment Schedule cover both the Repayment of the credit and any interest on it.

4.4. All Repayments must be made before or on the Final Loan Repayment date.

4.5. Your Repayments will be collected from your Payment Account, as set out in section 5 below or may be initiated by you through Revolut App.

4.6. Any Repayment will be deemed to have been repaid when it is received by us.

4.7. Any Repayment received by us will be applied as follows:

- a) It will first be applied to our costs accrued while making a claim and other recovery costs that we paid for your debt collection;
- b) Once any outstanding costs for making a claim and debt recovery are repaid in full, it will be applied to default interest;

4.11. If you cannot make the Repayment from the Payment Account (e.g. if the Payment Account has been blocked), contact us via Revolut App and we will notify you of an alternative method of making Repayments, and you must use that method following receipt of the notice.

5. Your consent for Repayments to be made

5.1. In order to enter into this Credit Agreement, you must already hold a Payment Account. You undertake not to close your Payment Account until you have fully discharged all of your

obligations under this Credit Agreement and have been notified by us that your credit has been fully and finally repaid.

5.2. Repayments will be collected from your Payment Account at the beginning of the day on which the Repayment is due. For this reason, you must make sure that you have sufficient funds in your Payment Account the day before the Repayment is due.

5.3. In order for us to provide you with our services, you consent and authorise us until full implementation of your obligations under the Credit Agreement, regardless of the withdrawal or termination of the Credit Agreement to do the following:

- a) When any Repayment becomes due, to transfer the funds for the Repayment from your Payment Account to us;
- b) If the Repayment cannot be made (in full or at all) on the due date, to repeat the transfer of funds at the same time on each following day until the Repayment due is made in full; and
- c) If a Repayment cannot be made at any time due to a lack of funds on your Payment Account, to use the provided stored card linked to your Payment Account to make a top up to your Payment Account on the third, thirteenth and twenty-eight day following the due date of the Repayment to cover the shortfall.

6. Interest

6.1. You must pay us interest on any amount disbursed to you.

6.2. Interest will be charged on the Total Amount of the Loan disbursed but not repaid. Interest will commence being charged on the date of disbursement, and will continue being charged until the day before the credit is repaid.

6.4. The interest rate is a fixed interest rate.

If you make an Early Repayment, it will be recorded with us, and the Total Amount of the Loan will be reduced accordingly, however we will not change any dates indicated in your Repayment Schedule. The reduction will include interest and fees (if any) for the remaining period from the date of the Early Repayment until the Final Loan Repayment date.

8.3. No amount will be treated as an Overdue Debt, and no default interest will be charged by us, if your failure to make a Repayment is due to a failure of any payment services provided by us or another Revolut group company.

8.4. Payment of default interest will not release you from performance of your obligations under this Credit Agreement, postpone any agreed deadlines for Repayment, or extinguish the debt owed.

9. Your obligations to us

9.1. You agree that:

- a) All information you provide to us in relation to this Credit Agreement is complete, accurate, up-to-date and true in all respects;

10.2. An ordinary pledge secures the main obligation of the Borrower under the Credit Agreement and interest arising from it. A maximum pledge secures penalties and losses which the Bank may incur due to non-fulfilment of obligations under the Credit Agreement. The amount secured by the maximum pledge is equal to 40 percent of the Total Amount of the Loan.

10.3. The Borrower hereby transfers the above-mentioned pledged assets to the Bank as required by law in relation to the application of an ordinary written form to pledge transactions.
