

Revolut <18 Referrals Promotion

What is the Promotion about?

As part of the Revolut <18 Referrals Promotion (the "**Promotion**"), Revolut is offering certain Revolut <18 teenage users the opportunity to refer other teenage users to Revolut <18 and for both to receive a cash reward (the "**Reward**"). On meeting the requirements set out in these terms and conditions (the "**Terms**"), this is an opportunity for both the Revolut <18 teenage user making the referral (the "**Referrer**") and the teenage user receiving the referral (the "**Referee**") to receive the Reward.

These Terms govern the same Promotion in the United Kingdom, Austria, Belgium, Bulgaria, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Latvia, Lithuania, Netherlands, Norway, Poland, Romania, Slovenia, Spain, and Sweden (the "**Eligible Markets**"). Please read these Terms carefully including the eligibility criteria set out below.

When we say "you" or "your" in these Terms, we mean the parent or guardian of the Referrer who wishes to avail of the Promotion to refer a friend.

This Promotion runs from **12:00AM on 14 November 2022 until 11:59PM on 31 December 2023**. We call this the "**Promotion Period**".

Both the Referrer and the Referee as well as the parent/guardian of both the Referrer and the Referee must fully meet all the relevant requirements during the Promotion Period to receive the Reward.

These Terms set out the rules that apply to the Promotion and you must comply with these Terms, as well as the terms that apply to your account at all times when participating in the Promotion.

What is Revolut <18?

Revolut <18 is designed for parents who want their children to gain financial skills and to learn how to use and manage money.

The Revolut <18 account needs to be set up for the teenager by the parent or guardian and is a sub-account of the parent's/guardian's Revolut personal account. This means that to open a Revolut <18 account for the teenager, you will need to have a Revolut personal account. As the Revolut <18 account is a sub-account of your Revolut personal account, you are responsible for everything a Revolut <18 user does using it as if you had done it yourself.

What is the Reward?

The Reward that the Referrer and the Referee may receive is dependent on the base currency of the parent's/guardian's Revolut personal account, as set out below.

GPB	EUR	BGN	CHF	CZK	DKK	HUF	NOK	PLN	RO N	SEK	ISK
5	5	10	5	120	35	200 0	50	20	20	50	700

By way of example:

- If the base currency of the Referrer and the Referee's respective parent's/guardian's Revolut personal account is GBP, then both the Referrer and the Referee will be entitled to receive a Reward of £5 each;

or

- If the base currency of the Referrer's parent's/guardian's Revolut personal account is EUR and the base currency of the Referee's parent's/guardian's Revolut personal account is SEK, then the Referrer will be entitled to receive a Reward of EUR 5 and the Referee will be entitled to receive a Reward of SEK 50.

The Reward is a cash award in the form of a top-up that the Referrer and the Referee can use for any physical or virtual Revolut <18 card payments.

Who is eligible for the Promotion?

To be eligible for this Promotion:

- Both the Referrer and the Referee must be of eligible age.

Eligible age for residents of Belgium, Denmark, Estonia, Finland, Iceland, Latvia, Norway, Sweden, and the United Kingdom is 13 years and older.

Eligible age for residents of Austria, Bulgaria, Lithuania and Spain is 14 years and older.

Eligible age for residents of the Czech Republic, France, Greece and Slovenia is 15 years and older.

Eligible age for residents of Germany, Hungary, Ireland, Netherlands, Poland and Romania is 16 years and older.

- The Referrer and the Referee and their respective parents/guardians must be resident in an Eligible Market.
- The Referrer must receive an invitation to the Promotion directly from us through an in-app tile on their Revolut <18 app. The Referrer may visit the Revolut <18 app to check if they are eligible - if the in-app tile relating to the Promotion is not available to the Referrer, then the Referrer is not eligible.
- The Referee must be a new Revolut <18 user. If the Referee is currently a Revolut <18 user or has used an account or started the sign-up process in the past, the Referee is not a new user and so is not eligible.

You may at any time switch off your Revolut <18 user's (or the Referrer's) ability to refer other teenage users to Revolut <18. You can do this by going to Settings in the Revolut <18 hub section of the Revolut app and switching off the toggle marked "Referrals".

How does the Referrer earn the Reward?

For both the Referrer and the Referee to receive the Reward, the Referrer must meet the eligibility requirements set out in these Terms.

The Referrer must be able to see the in-app tile invite (relating to the Promotion) from us on their Revolut <18 app. The Referrer will need to tap on the "Invite friends" button in the in-app tile on their Revolut <18 app to invite a friend (or the Referee) to sign up to Revolut <18 using the referral code. The Referee must be eligible to use Revolut <18. The Referrer will be able to invite friends from anywhere in the world where Revolut <18 is available.

Once the Referrer taps on the "Invite friends" button in the in-app tile on their Revolut <18 app, a draft message containing the Referrer's unique referral code will appear. The Referrer can customise the message.

It's the referral code which is important - the Referee must initiate the sign up to Revolut <18 through the Revolut <18 app and enter the unique referral code. The Referee will then be asked to invite their parent/guardian to activate and approve the Revolut <18 account which the Referee has signed-up to within the Revolut app. If the Referee's parent/guardian does not have a Revolut personal account, the Referee's parent/guardian will need to open an account and will need to be onboarded successfully to Revolut before they can approve the Revolut <18 account within the Revolut app. The Referee's parent/guardian will also need to order a physical Revolut <18 card within 60 days of the referral code being entered.

If all the above steps are completed by the end of the Promotion Period, both the Referrer and the Referee will receive the Reward. The Reward will be credited to the respective Revolut <18 sub-accounts of the Referrer and the Referee's parent's/guardian's Revolut accounts within 5 business days after the physical Revolut <18 card was ordered.

The maximum number of people that the Referrer can refer is ten per year. If the Referrer's referral code has already been inputted by ten separate Referees, then the Referrer will not be eligible for any further Rewards during that year.

How does the Referee earn the Reward?

For both the Referrer and the Referee to receive the Reward, the Referee must meet the eligibility requirements set out in these Terms.

The Referee must be a new Revolut <18 user. If the Referee is currently a Revolut <18 user or has used an account or started the sign-up process in the past, the Referee is not a new user and so is not eligible.

On receiving the invite from the Referrer to sign up to Revolut <18, the Referee will first need to download the "Revolut <18" app from the app store. Once the Referee downloads and opens the Revolut <18 app, the Referee will be directed to the sign-up flow for a Revolut <18 account. The Referee must initiate the sign up to Revolut <18.

The Referee will need to provide some basic identifying information, enter the unique referral code received from the Referee and will then reach a screen asking the Referee to invite the Referee's parent/guardian to activate and approve the Revolut <18 account to which the Referee has signed up. If the Referee's parent/guardian does not have a Revolut personal account, the Referee's parent/guardian will need to open an account and will need to be onboarded successfully to Revolut before they can approve the account within the Revolut app. The Referee's parent/guardian will also need to navigate to the <18 section of the Revolut app and order a Revolut <18 physical card for the Referee within 60 days of the referral code being entered.

If all the above steps are completed by the end of the Promotion Period, both the Referrer and the Referee will receive the Reward. The Reward will be credited to the respective Revolut <18 sub-accounts of the Referrer and the Referee's parent's/guardian's Revolut accounts within 5 business days after the physical Revolut <18 card was ordered.

The Referrer and the Referee will not be paid a Reward (or may have a Reward that has been previously paid reversed) if the Referrer or the Referee's parent/guardian reverses one of these steps after taking it. For example, if the Referee's parent/guardian cancels their Revolut <18 card before it arrives.
