

What is this Promotion about?

As part of the Revolut <18 x Partner Promotion (the "**Promotion**"), Revolut is offering a cash reward when certain users in the United Kingdom (meaning England, Ireland, Scotland or Wales) or the Republic of Ireland open a Revolut <18 account for the first time (the "Offer").

The Offer is a cash reward of £10 (for users in Great Britain) or €10 (for users in Ireland) that is paid to the Revolut <18 account and can be used for any physical or virtual Revolut card payments.

These terms and conditions (the "**Terms**") govern the Promotion. Please read them carefully. When we say "you" or "your" in these Terms, we mean the parent or guardian who opens the Revolut <18 account.

When is the Promotion happening?

The Promotion will run on an ongoing basis until it is ended by us in accordance with these Terms.

Throughout the Promotion, various individual campaigns will be run on the social media channels of affiliates of Revolut. We call these affiliates "**Partners**" in these Terms. Each Partner will have a unique promotion code which will only be valid for a limited period of time (normally, around six weeks). This period of time will be stated in any social media post by the Partner and on the Partner's website (if they have one). It can also be checked by inputting the code into the Revolut <18 app.

What is Revolut <18?

Revolut <18 is designed for parents/guardians who want their dependents under 18 years of age to gain financial skills and to learn how to use and manage money.

The Revolut <18 account is a sub-account of the parent's/guardian's Revolut personal account. This means that to open a Revolut <18 account for a dependent, you will need to have a Revolut personal account. As the Revolut <18 account is a sub-account of your Revolut personal account, you are responsible for everything a Revolut <18 does using it as if you had done it yourself.

Who is eligible for the Promotion?

To be eligible for this Promotion:

- You must live in Great Britain or the Republic of Ireland.
- You must have successfully onboarded to a Revolut personal account with no restrictions.
- The dependent for who you are opening the Revolut <18 account must also be eligible to onboard to a Revolut <18 account and must not have held one before.

How do I earn the Offer?

To earn the offer, you must ensure that:

- Your dependent downloads the Revolut <18 app completes the required steps to request you open their account. This will include providing some basic information about themselves. (You can also open a Revolut <18 account directly through your Revolut personal account, but if you do you will not earn the Offer.)
- As part of those steps, the dependent will be asked if they want to input a promotion code. They must input the promotion code of the Partner to earn the Offer. (This cannot be added after and the Offer will not be paid without it.)
- Once the steps are completed, your dependent will be provided with an invite link which they will need to share with you:
- If you are an existing Revolut personal account customer, you will need to click on the invite link and approve the dependent's account within your Revolut app.
- If you don't have a Revolut personal account, you will need to open one and successfully pass our onboarding checks before you can approve the account.
- Once you have approved the dependent's account, you will need to navigate to the <18 section of your app and order a Revolut <18 card for the dependent.

All these steps must be completed during the period of time stated for the particular Partner. If you do so, the Offer will be paid to the Revolut <18 account no later than 10 days after the period of time stated for the particular Partner.
