How do I start my Free Trial?

You can start your Free Trial and take part in the Promotion if you meet the eligibility criteria and have completed the steps outlined in "**What do I need to do to take part in this Promotion?**". If you are a **new user** to start your Free Trial, you will need to complete the steps to upgrade your Revolut Personal account to the subscription plan you are being offered as part of the Free Trial **within 72 hours of your Revolut Personal account being successfully opened, even if the 72 hour period expires after the end of the Promotion Period.** Details of the subscription plan including these Promotion Terms will be made available to you on the Revolut website before you sign up for a Revolut Personal account. This means your Revolut Personal account must be successfully opened before the end of the Promotion Period but it doesn't matter if you don't upgrade to the relevant subscription plan until after the end of the Promotion Period; you'll still be able to start your Free Trial as long as you upgrade before the 72 hour cut off.

If you are an **existing customer of Revolut**, to start your Free Trial, you will need to complete the steps to upgrade your Revolut Personal account to the subscription plan you are being offered as part of the Free Trial **within 72 hours of receiving a push notification in your Revolut App.**

Just so you know, the terms and conditions for your Premium subscription plan (see [Plus, Premium and Metal Terms](#)) will apply to you during your Free Trial. We will not charge you for the period of time included in your Free Trial. We'll tell you in the Promotion dashboard in your Revolut App how long you'll receive your selected Premium subscription plan for free so you're aware before you sign up - you'll also be able to see this information in these Terms.

You have the right to cancel your Premium plan during the entire duration of Free Trial (your "cooling off period") but after the Free Trial period ends, normal cancellation rules will apply as

set out in [Plus, Premium and Metal terms](#).

You also have the right to withdraw from the Revolut Personal account within the first 14 days of opening a Revolut account by letting us know through the Revolut app or by emailing us at feedback@revolut.com. You have a right to withdraw without paying any penalties and without having to indicate any reason. In case of withdrawal from the agreement we will return any remaining balance to you. If you have already subscribed to Premium plan by withdrawing from the Personal account you will also withdraw from the Premium plan. Also, you have the right to withdraw from the Premium plan without withdrawing from the Revolut Personal account. In both cases you will have to pay us back for the card delivery fee, if you ordered a card before withdrawing. You may also have to pay back the card delivery fee if you ordered a second card or additional Revolut cards and you withdraw from the Premium plan within your Free Trial. This is to cover our costs. Please refer to the [Premium fees page](#) to see the fees associated with card delivery. To find out about your right of withdrawal you can also refer to the [Revolut Personal Terms](#) and the [Plus, Premium and Metal Terms](#).

On the expiry of the Free Trial, you will remain on your Premium plan (unless you tell us otherwise during Free Trial) and normal cancellation and billing rules will apply (the cooling-off period will no longer apply). Our paid plans have a 12 month term whether you choose to pay-monthly or pay-annually. We'll start taking payments for your Premium plan either monthly or yearly depending on what you agreed to when you signed up for the Premium plan.

You can also end your Premium plan at any time after the Free Trial. However, fees may apply if you do. See the "Fees for downgrading your Plus, Premium or Metal subscription" section of the [Plus, Premium and Metal Terms](#) for more information on the normal cancellation rules that apply once your Revolut Free Trial ends.

How do I get my cashback?

If you meet the eligibility criteria and complete the steps outlined in "**What do I need to do to take part in this Promotion?**" before the end of the Promotion Period, you will also be able to receive **the Cashback Offer, which is cashback up to your purchase made on Vinted, but not more than 20€ of cashback in total using Revolut card as a payment method.** You'll need to add money to your new Revolut card and add the card to your Vinted profile under Payments Settings. Browse the catalogue and click "Buy now" when you choose an item, select Revolut as your payment method and press Pay. If you have money in the Vinted Balance, it will be used for the purchase first while the Revolut card will be used only if the money available in Vinted Balance will not be sufficient for the purchase. To receive the full €20 cashback, you have to empty your Vinted Balance first.

The Cashback Offer applies on all physical or virtual Revolut card payments made on Vinted during the Cashback Period. This means, for example, if your Revolut Personal Account is opened on 1st of March 2023, the Cashback Offer will apply for a period of 4 weeks from 1st of March 2023. We'll credit the cashback to your account within 7 days of each completed virtual or physical Revolut card payment you make on Vinted, subject to these Promotion Terms. If you make a virtual or physical Revolut card payment within the Cashback Period but it is reverted or you seek a refund, you will not be entitled to cashback and if we've already credited your account with cashback, we reserve the right to reverse that cashback. In the latter case, we

will consider the reversal of any cashback transaction to have been done with your consent and the payment to have been authorised by you.
