

Revolut Business Cardholder Agreements

Revolut is changing our card issuer and bank partner from Metropolitan Commercial Bank (MCB) to Community Federal Savings Bank (CFSB) effective later this year. After the transition, you'll still be able to use all the Revolut services as normal, but the transition means that your Revolut card will be subject to a new CFSB Prepaid Business Cardholder Agreement and other terms.

To continue using Revolut, you must opt into the new agreement and terms within the Revolut app and provide Revolut with updated information to keep your Revolut account. Please contact Customer Support via in-app chat if you have questions about these planned changes.

The CFSB Business Prepaid Cardholder Agreement becomes effective on the date that your account is transitioned to CFSB. We'll send you more details soon on the exact date of transition from MCB to CFSB (Transition Date). Before and after the Transition Date, the CFSB Business Prepaid Cardholder Agreement may be updated subject to any legally required notices. Prior to the Transition Date, all rights and obligations related to your Revolut Business card are governed by the MCB Business Prepaid Cardholder Agreement.

The applicable Business Cardholder Agreements are outlined below:

Metropolitan Commercial Bank	Community Federal Savings Bank
