

The Business Fee and Charges sections were updated on 18 May 2026 and apply to all Businesses who opened their Revolut Business Account on or after 18 May 2026. Any pricing difference between these terms and the previous terms (see below) will be waived until 17 June 2026.

If you opened your Revolut Business Account before 18 May 2026, the previous version of the terms (click [here](#)) will apply to you until 17 June 2026.

* Note that intermediary and receiving banks may also impose a charge on the recipient.

Exchange

When a Business initiates a currency exchange in the Business app, we'll use a variable exchange rate, as set out in our [Business Terms](#).

The exchange rates we offer do not include any fees within the rate of exchange. Rather, we apply a separate percentage-based fee as set out below, which is shown separately in the Business app whenever a currency exchange is made.

Exchange fees

Currency Type	Exchange Amount	Fee
Fiat Currencies	Up to \$2,000 per monthly billing cycle (the Basic Exchange Allowance)	A\$0
	Any amount over the Basic Exchange Allowance	0.6% of the value of the exchange For example, exchanging A\$1000 over the Basic Exchange Allowance will incur a A\$6 fee
Cryptocurrencies	Any amount	1.49% of the value of the exchange. For example, exchanging A\$1000 of cryptocurrency will incur a \$14.90 fee.

Exchange fees applicable outside exchange market hours

An additional fee will apply to transactions made outside of exchange market hours. A transaction will be outside of exchange market hours if it is made between Friday 5pm and Sunday 6pm (New York time), which is a U.S. based time zone. For reference only, without taking into account daylight savings, the equivalent time period in Australia is approximately Saturday 7am to Monday 8am (AEST).

The Business will be able to see the relevant exchange rate and the total of any applicable fees prior to transacting.

Currency Type	Exchange Amount	Fee
Fiat Currencies	Any amount	1% of the value of the exchange For example, exchanging A\$500 outside exchange market hours will incur a A\$5 fee.

Features

The Business may be charged for the use of certain product features by an Authorised Team Member as set out below.

The Business can disable an Authorised Team Member's access to certain product features in the Business app at any time. If product features are disabled prior to the commencement of the next monthly cycle the Business won't be charged in that month.

Features fees

Feature Type	Fee
Expenses feature	A\$8 per month per active Authorised Team Member*

* The Business will be charged for an Authorised Team Member after they submit or approve an expense for the first time.

Cancellation

The Business can cancel its subscription at any time. There are no fees charged for cancelling the subscription. Fees already paid by the Business will not be refunded (this includes any monthly Subscription Fee, meaning there is no pro-rata refund once the Subscription Fee is deducted from the Business Account).
