## Billing Cycle

You will be billed in advance of the month. Your allowances will reset on the first day of the billing month. If you chose to move plan mid-billing cycle, your subscription will start again and your allowances will be reset according to your new plan immediately.

## Exchange

Whenever you make a currency exchange in the Revolut app or Revolut Dashboard, we'll use an exchange rate based on our market rate, which is based on foreign-exchange market rates.

There is more information about our exchange rate in our Business Terms.

For certain conversions we apply an extra percentage-based fee, which may change according to when and how frequently the currencies are traded. These fees are set out in the table below.

We charge a higher fee outside foreign-exchange-market hours because less currency is traded during these times. **Outside foreign-exchange-market hours are 5:00 PM on Friday to 6:00 PM on Sunday Eastern Time.**

<b>FEES DURING FOREIGN EXCHANGE MARKET HOURS</b>	All currencies: No fee
<b>FEES OUTSIDE FOREIGN EXCHANGE MARKET HOURS</b>	All currencies: 1.0%
