Exchange

When a Business initiates a currency exchange in the Business app, we'll use a variable exchange rate, as set out in our [Business Terms](#).

The exchange rates we offer do not include any fees within the rate of exchange.

Rather, we apply a separate percentage-based fee as set out below, which is shown separately in the Business app whenever a currency exchange is made.

Exchange fees

| Currency type | Exchange Amount | Fee |
|-----------------|--|---|
| Fiat Currencies | Custom - Up to the \$NZD value per monthly billing cycle as set out in your Business Plan Subscription (Enterprise - Custom) Addendum (the Enterprise - Custom Exchange Allowance) | NZD\$0 |
| | Any amount over the Enterprise - Custom Exchange Allowance | Custom - please refer to your Business Plan Subscription (Enterprise - Custom) Addendum |

Exchange fees applicable outside exchange market hours

An additional fee will apply to transactions made outside of exchange market hours. A transaction will be outside of exchange market hours if it is made between Friday 5pm and Sunday 6pm (New York time), which is a U.S. based time zone. For reference only,

without taking into account daylight savings, the equivalent time period in New Zealand is approximately Saturday 9am to Monday 10am (NZST).

The Business will be able to see the relevant exchange rate and the total of any applicable fees prior to transacting.

| Currency Type | Exchange Amount | Fee |
|-----------------|-----------------|--|
| Fiat Currencies | Any amount | 1% of the value of the exchange For example, exchanging NZD\$500 outside exchange market hours will incur a NZD\$5 fee. |
