

Business Rewards Terms

- Business Rewards are provided by our third party merchant partners and are calculated excluding taxes, delivery and other associated charges. If you have any issues or questions about the merchant partner's products, goods or services, you should raise them with the merchant partner directly.
- You must follow the link in the Business Rewards section of the Revolut app and purchase or activate immediately, using your Revolut card connected to the Business Account, to be eligible for the Business Reward.
- You may not be eligible for a Business Reward if you use a promotional/voucher code not supplied by Revolut.
- The Business Reward is valid as long as it is displayed in the Business Rewards section of the Revolut app. You should check that the Business Reward is still valid at the time of purchase or activation, as some Business Rewards may be removed from the Revolut app without notice.
- Each Business Reward can only be claimed once, unless otherwise stated in the Revolut app.
- The Business Reward is available only to Revolut Business customers who have passed their Know Your Businesses (KYB) checks and have been successfully onboarded.
- The Business Reward is non-transferable and cannot be exchanged for cash or other products.
- If the Business Reward transaction is subsequently returned or refunded (or the payment is otherwise reversed or declined), then you may not be eligible for the Business Reward.
- Revolut reserves the right to change, modify and/or supplement these Business Rewards Terms at any time. If we exercise this right in a way that is detrimental to you, we will notify you directly. In all other instances we will try to give advance notice on our website. Please contact Customer Support if you believe you qualify for a particular benefit in relation to the Business Reward that has not been awarded to you.
- If you close your Revolut Business account or it becomes suspended or restricted before you receive the Business Reward, then you will no longer be entitled to receive any such Business Reward and it will not be paid to you.

- If we have reasonable grounds to believe that you have engaged in any fraud or material abuse to receive the Business Reward (such as for example attempting to obtain an unfair advantage through deception) we may in our sole discretion take any actions we see fit in the circumstances.
- For more information about how we use your personal information, please see our [Business Customer Privacy Notice](#).
- Any disputes arising out of or in connection with these Business Rewards Terms can be dealt with by the Courts of New Zealand.
