

Card transfer Fees

The following fees apply for card transfers. All fees are priced in USD\$ here, but will be charged in the currency of your transfer. The amount sent to the recipient, and your fee, will always be shown to you in the app before you agree to the payment.

For card transfers within the Europe region, you will be charged 0.70% of the amount you are sending.

For card transfers outside the Europe region, you will be charged 2.30% of the amount you are sending or a minimum fee of USD\$0.50 (whichever is the highest).

The example table below shows how this works in practice on different size transactions. Remember that these fees only relate to the payment, so other fees may apply (for example, for foreign exchange) as well.

Amount you're sending	\$10	\$100	\$500	\$2,500
Fee for sending to a card within the Europe region	\$0.07	\$0.70	\$3.50	\$17.50
Fee for sending to a card outside the Europe region	\$0.5	\$2.30	\$11.50	\$57.50
