## The Prize, Transparency and Tax Requirements

- **Winner Selection Process:** The selection of the monthly winners in each Market will be conducted randomly by software - without human interaction - from users who meet the Eligibility criteria. The draw will take place on the first working day of the month following the Monthly Cycle, once we have verified that all participants meet the criteria to participate in that Monthly Cycle. Every customer has the

same probability to win the prize of the draw. Odds will depend on the number of users completing a Salary Deposit every month.

- **Winner Notification:** Winners will be notified via in-app push notification, email, and a celebratory in-app prompt. After receiving the notification, winners must accept/reject their prize via the in-app prompt **within 30 days**. After that, the prize will not be claimable anymore. Also, please note that rejecting a prize is final and cannot be undone; rejected prizes will not be reallocated to other users.
- **The Prize:** The Prize is a fixed cash amount credited directly to the winner's Revolut Personal account balance. This credit will be issued within 10 working days following the verification of the winner's eligibility.
- **Tax Assessment & Liability:** Payouts may be subject to local tax laws. Depending on your jurisdiction, Revolut may be required by law to withhold a portion of the prize for tax purposes or report the payout to local tax authorities. It is your responsibility to understand and comply with any personal income tax obligations resulting from this prize.
- **Opt-out/Opt-in:** You have the right to opt-out of the Promotion at any time via the promotion announcement email, which will contain a link to redirect you to opt-out screen. If you opt-out, you will not be included in any future draws unless you manually opt back in.
