

# "Add Cash" Feature - Terms and Conditions

These terms and conditions (the "Add Cash Terms") along with the [Cardholder Agreement](#), [Fees page](#), [Privacy Policy](#) and any other terms and conditions that apply to our services, govern the relationship between you and Revolut Technologies Inc ("Revolut", "we" and "us") and apply whenever you use this feature to add cash to your Revolut account ("Add Cash") on the Revolut mobile application (the "Revolut app"). The Revolut USA Prepaid Visa card and Revolut USA Prepaid Mastercard (each, a Revolut Card) are issued by Lead Bank pursuant to a license from Visa U.S.A. Inc. and Mastercard International, respectively, and may be used everywhere Visa or Mastercard, respectively, is accepted. Banking services are provided by Lead Bank, a member of the Federal Deposit Insurance Corporation (FDIC), and are subject to the terms of a [Cardholder Agreement](#). Revolut Technologies Inc. (Revolut) is a technology services provider and program manager of the card program.

Using the Add Cash feature via the Revolut app will add cash funds to your Revolut card.

The Add Cash feature is only available for select customers of Revolut who are located within the 50 United States or Washington D.C. If Add Cash is available to you, it will be displayed within the Revolut app.

You can add cash easily to your Revolut Card account at select retailers (each, a "Participating Retailer") via the Add Cash feature for a retail service fee of up to \$4.95 which will be collected by the Participating Retailer. Participating Retailers will be displayed within the Revolut app. All you need to do is find an available location at a Participating Retailer near you within the Revolut app, unlock the location in the Revolut app, and present the Participating Retailer with your physical Revolut card as well as the amount of cash that you wish to add, along with the retail service fee. You can usually add any amount from \$20 to \$500, depending on the Participating Retailer at which you choose to Add Cash. Card balance limits may apply. The money will be added to your account, usually in about 30 minutes or less. You may not cancel an Add Cash card load once it has been initiated.

## **The following limits apply to the Add Cash feature at Participating Retailers:**

- Daily Limit: \$1,500 or 3 Add Cash card loads
- 7-day Rolling Limit: \$3500 or 10 Add Cash card loads
- 30-day Rolling Limit: \$5000 or 15 Add Cash card loads

**Here's how to add a Cash Deposit from your Revolut app:**

- Tap “Add Money”;
- Change your deposit method to “Add Cash”;
- Tap “unlock locations near me”;
- Select a Participating Retailer location;
- Present your Revolut card and cash amount that you wish to add to your Revolut prepaid card to the Participating Retailer; and,
- Be sure to collect a receipt from the Participating Retailer confirming the amount of cash you have added.

**Remember:**

- You may be required to provide identification to the Participating Retailer to Add Cash.
- Always retain the paper receipt you receive from the Participating Retailer as a record of your Add Cash card load.
- A retail service fee of up to \$4.95 may apply when you Add Cash at a Participating Retailer.

## About this Add Cash Payment Service

The Add Cash service is provided in partnership with [Green Dot](#). Using the Add Cash feature to fund your account and the permitted amount for any Add Cash card load, remains subject to authorization by Revolut, Green Dot, and the Participating Retailer. The funds will be made available to you via your Revolut card as soon as we receive it. For information regarding how we collect and handle your personal information, please refer to our [Privacy Policy](#).
