

How to make a complaint

If you'd just like to speak to someone about an issue that's concerning you, please contact us through the chat available on the Revolut app. The in-app chat is our customer support tool, and our answers to the queries made by you through the in-app chat are not subject to the complaint handling time frames indicated above. We can usually settle matters quickly through the app. You'll probably need to give us the information below.

If you prefer you can make your complaint using our [online form](#). Or you can email us at formalcomplaints@revolut.com. If you express your wish to complain when communicating with us, we will provide you with a complaint [form](#), or may submit the formal complaint [form](#) for you and have our agents analyse your case as a formal complaint.

You'll need to tell us:

- your name and surname;
- the phone number and email address associated with your account;
- what the issue is;
- when the problem arose; and
- how you'd like us to put the matter right.

We'll look into your complaint and respond to you by email. We will communicate with you in English, unless we tell you otherwise.

If you're unhappy with our service, we'll try to put things right
