How to make a complaint

If you have a complaint, the best way is to contact us via the in-app chat, which is available 24 hours a day, 365 days a year.

If you're not happy with the service received, you can escalate your concerns as a formal complaint. You can submit a complaint using our online form or contact the Complaints team at formalcomplaints@revolut.com.

Alternatively, you can also send us an email to formalcomplaints@revolut.com. If you prefer to send your complaint via email, please ensure to include the following details:

- Your full name
- The phone number linked to your Revolut Account
- The email address linked to your Revolut Account
- The date when the issue happened
- Details of your complaint

After submitting your complaint, we'll let you know that we received your email and also give you a timeframe when we expect a response by. Then we'll send you a copy of your complaint so you can keep it for your own records. We may contact you to gather more information relating to your complaint. A dedicated member of our complaints team (who, to the extent possible, is not involved in the subject matter of the complaint) will investigate the matter for you.

If we have everything we need, we will do our best to provide you with the final response within the indicated time frame and will clearly mention whether our response is final or not.

We'll send our final response over to you within 14 business days, following the day that we received your complaint.
