Additional Disclosures & Application Terms

Eligibility & Application Requirements

To be eligible to apply for the Revolut Credit Card, you must satisfy at least all of the following requirements:

- **Revolut Account:** You must have an active, verified Revolut Personal Account in good standing.
- **Age & Residency:** You must be at least 18 years old (or the age of majority in your state) and maintain a primary residence in an eligible U.S. state (*Note: Product availability varies by location and is not offered in all states.*)
- **Identification:** You must provide a valid U.S. Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN).
- **Financial Health:** You must meet minimum income and credit standards, including an acceptable debt-to-income (DTI) ratio evaluated during application.

- **Disqualifying Conditions:** Your application may be declined if you have an active credit bureau freeze or lock, a pending or recent bankruptcy filing, an active default across associated accounts, or a record of prior uncollected credit balances or charge-offs.

Credit Evaluation and Credit Reporting

- **Soft Pull vs. Hard Pull:** Eligibility checks involve a "soft" credit inquiry that does not affect your credit score. Accepting an offer and submitting your application will trigger a "hard" credit inquiry, which may impact your credit score.
- **Credit Limit & Product Evaluation:** Your initial credit limit is determined based on your credit history, income, and ability to pay. The Revolut Unsecured Credit Card is issued by Cross River Bank, Member FDIC. If you do not qualify for an unsecured credit card, we may automatically evaluate your eligibility for a Revolut Secured Credit Card issued by Lead Bank, Member FDIC, which requires a security deposit. Cross River Bank, Lead Bank, and Revolut reserve the right to adjust or reduce your credit line at any time based on ongoing account performance or creditworthiness.
- **Credit Bureau Reporting:** We may report your account history, payment performance, and credit utilization monthly to one or more major national credit bureaus. Late payments or defaults may be reflected on your credit report and negatively affect your credit score.

How Revolut Paid Subscription Plans Interact with Your Card

- **Base Plan Disclosures:** By default, your card functions under the **Revolut Standard Plan** (\$0/month subscription fee). Your credit card is integrated with your Revolut app profile. While the Credit Card carries a **\$0 Annual Fee**, optional paid subscription plans (such as Revolut Premium at \$9.99/mo or Metal at \$16.99/mo) are offered but separate from the credit card account features.
- **Plan Fees Separated:** Subscription fees for Revolut Premium or Metal are billed separately to your Revolut Prepaid Card Account and do not count toward your credit card's minimum monthly payment.
