

Subject matter	Details
Responsible company:	Revolut Bank UAB
Data we process:	<ul style="list-style-type: none"> • A copy of the selfie you submit • Biometric data <p>We may also ask you to submit a video and voice recording if we are unable to verify your identity automatically.</p>
How we process your data:	We will automatically compare your selfie against the selfie you provided during onboarding. This will result in us processing your biometric data.
Why we process your data:	We do this to ensure that the person applying for credit is the same person who created your Revolut account. Basically, we want to protect you against a third party creating credit in your name.
Our lawful basis:	Your consent. If you do not consent, please email credit-manual-verification-we@revolut.com so that we can verify your identity manually.
Consequences of the processing:	As soon as you submit your selfie, we will compare it against the selfie you provided during onboarding. If it matches, then the application process will continue. If the selfie submitted does not match our records, then we will not be able to offer you credit at this time.
Your rights:	You have the right to access, rectify, delete your data, request data portability and oppose or limit the processing by sending an email to dpo@revolut.com.
Additional information:	Our Customer Privacy Notice contains detailed information about how Revolut collects, uses, protects, stores and deletes your personal data.
