

Personal Fees

We have set out the fees you will need to pay for making Revolut Transactions. If a fee applies, we'll let you know in the Revolut App before you make the payment.

This fee page applies to customers of Revolut Technologies Singapore Pte Ltd who are non-Singapore residents.

For a new sign-up, your first transfer from your Revolut account will always be free in the first 28 days (e.g. either Crypto or Fiat).

Thereafter, the following fees will apply:

Transaction	Fee
Topping up USDC Wallet	No fee
Exchanging USDC for cryptocurrency (i.e. buying cryptocurrency)	1% of transaction value
Exchanging cryptocurrency to USDC (i.e. selling cryptocurrency)	1% of transaction value
Transfer Fee for transferring cryptocurrency to other Revolut users	1.49% of transaction value *If there is no currency conversion in terms of USDC to fiat / non-USDC cryptocurrencies or vice versa (e.g. USDC transfer to USDC), the transfer fee for transferring cryptocurrency to other Revolut users will be 0.49% of the transaction value
Transfer Fee for Withdrawing from USDC Wallet to Bank Account (i.e. Bank Transfer)	1.99% of transaction value + USDC\$0.60, subject to a minimum fee of USDC\$1.30
Transfer Fee for Withdrawing from USDC Wallet to Card Account (i.e. Card Transfer)	1.99% of transaction value + USDC\$0.60
