Interest calculation and payment	The interest is calculated based on the actual number of days in a year, and the actual number of days in a month. The interest is calculated daily on the balance of the Instant Access Savings and paid daily to this account. If you have an Ultra Plan and your Instant Access Savings balance exceeds EUR 100,000, two different interest rates will apply as follows: • Rate 1: Instant Access Savings balance up to and including EUR 100,000; and • Rate 2: Instant Access Savings balance in excess of EUR 100,000 and up to EUR 5,000,000. This applies to the combined balance across all of your individual Instant Access Savings in Euros. If two different interest rates apply to your Instant Access Savings, this will be displayed to you in App as one interest rate calculated as a weighted average between Rate 1 and Rate 2, based on your total savings. Deposits in excess of EUR 100,000 are not covered or protected by the Deposit Insurance Scheme. The interest will begin accruing on the same calendar day after you deposit
