

Discounted Paid Plan Subscription Promotion

What is this Promotion about?

REVOLUT TECHNOLOGIES JAPAN, Inc. ("**Revolut**", "**we**", "**our**" or "**us**") is offering existing Personal customers who are already on one of our paid subscription plans (Metal or Premium) a discount for their current paid plan subscription fee for a period of time (the "**Offer**"). The discount only applies to the paid plan subscription fee itself - it does not apply to any other fees chargeable under the agreed Fees Page. The Offer will be available in the Revolut app to select customers. This Offer will be available to existing Personal customers for a period of time at Revolut's discretion (the "**Promotion Period**").

These terms (the "**Promotion Terms**") set out the rules that apply to this Promotion, and you must comply with these Promotion Terms and also the following terms that apply to your Revolut account at all times when participating in this Promotion.

- the [Personal Terms](#) that apply to your Revolut Personal account;
- the [Premium & Metal Terms and Conditions](#) and the [Fees Page](#) relevant to your offered subscription plan, as applicable; and
- other applicable terms of conditions that apply to our services used by you.

Who is eligible for the Offer?

The Offer will be available to our eligible customers who have passed our Know Your Customer requirements and have been successfully onboarded as Revolut paid plan customers but after using Metal or Premium they have decided to downgrade. Customers will be shown the Discounted Subscription Plan Promotion in the Revolut app where this applies to them. If you cannot see this within your app, you are not eligible.

How do I receive my Offer?

If the Offer is available to you in the app, all you need to do is click through the relevant screens in the app and accept the Offer. It will be clear in the app what period of time the Offer applies to your existing subscription plan, whether it's for a month or shorter or longer than that. Once you've accepted the Offer, we'll apply the discount to your existing subscription plan and we'll continue to charge you for your subscription within the agreed period of time but at the agreed discounted rate.

After your Offer ends, by default you will remain on your selected Paid Plan but you will be charged according to the normal pricing agreed in your [Fees Page](#), and normal cancellation and billing rules will still apply in line with the [Paid Plan Terms](#).
