

What is this Promotion about?

Revolut Technologies Singapore Pte. Ltd. ("**Revolut**", "**we**", "**us**" or "**our**") is offering existing Personal customers on one of our paid subscription plans (Metal or Premium) a discount for their current paid plan subscription fee for a period of time (the "**Offer**"). The discount only applies to the paid plan subscription fee itself - it does not apply to any other fees chargeable under the agreed Fees Page. The Offer will be available in the Revolut app, at Revolut's sole discretion, to select paid plan customers, who are initiating a request to downgrade their subscription plan. This Offer will be available to eligible customers for a period of time determined by us (the "**Promotion Period**").

These terms (the "**Promotion Terms**") set out the rules that apply to this Promotion, and you must comply with these Promotion Terms and also the [terms](#) that apply to your Revolut account at all times when participating in this Promotion.

Who is eligible for the Offer?

The Offer will be available to eligible customers of Revolut who have passed our Know Your Customer requirements and have been successfully onboarded as Revolut paid plan customers but after using Metal or Premium, they have decided to downgrade. Customers will be shown the discounted subscription plan promotion in the Revolut app where this applies to them. If you cannot see this within your app, you are not eligible.

How do I receive my Offer?

To claim the Offer, simply follow the prompts in the app and accept it when available. The exact duration of the discount will be clearly displayed before you accept. Once activated, the discount will be applied to your current plan, and you will be billed at the reduced rate for the duration of that Promotional Period.

After your Offer ends, by default you will remain on your selected Paid Plan but you will be charged according to the standard rates outlined in your Fees Page. All standard cancellation and billing rules will apply in line with the Paid Plan Terms.
