

Event Ticket Protection

It can be frustrating when You are missing Your favorite band's concert, because You are too sick to attend. Fortunately, there is Event Ticket Protection.

When You are unable to attend a concert, theatrical, recreational, or sporting Event for a covered reason and You purchased a Covered Event Ticket(s) with Your Revolut Account and/or rewards programs associated with Your Account, You are eligible for reimbursement. You need to use Your Account to purchase the entire cost of the Covered Event Ticket. You will only be reimbursed up to the cost of the unused nonrefundable Covered Event Ticket or the program limit, whichever is less.

Event Ticket Protection will reimburse You, up to a maximum of one thousand dollars (\$1,000.00) per Covered Event Ticket, one thousand dollars (\$1,000.00) per Covered Event and one thousand dollars (\$1,000.00) annually per Account for the cost of Your unused nonrefundable Covered Event Tickets including any applicable processing fees associated with the purchase of the Covered Event Ticket up to the lesser of 10% of the Covered Event Ticket's face value or twenty five dollars (\$25)

When does it apply?

The Event Ticket Protection benefit applies only if You miss the ticketed Covered Event for one of the following covered reasons:

- Sickness, Accidental Injury or Death of the Ticket Holder or Ticket Holder's Family Member
- Ticket Holder is directly involved in a traffic accident while en route to the Covered Event (as evidenced by a police report).
- Ticket Holder's public transportation (including airplane, train, bus, subway) is delayed due to strike, industrial action, breakdown or adverse weather conditions causing the Ticket Holder to miss the Covered Event.

In order to file a claim for reimbursement, You will need copies of Your card receipt, Your unused tickets, as well as any other documents requested by the Benefit Administrator.

What isn't covered?

This benefit will not provide reimbursement for the following:
