## What is the campaign about?

## Campaign Period?

The Campaign runs from 7 February at 0:00 to 20 February at 23:59 (JST). However, as described below, this Cashback is on a first-come, first-served basis and will end when the total cashback amount is reached.

## What do I need to be eligible for the Campaign?

You can be entered in the Campaign if you (i) are a user of Revolut app provided by Revolut Technologies Japan, Inc., (ii) received an email invitation, and (iii) spend a minimum of JPY 10,000 (Consumption tax included) during the Campaign Period.

Both physical merchants and online merchants are valid. For Android users, card payments made via Google Pay also count.

Card payments must be genuine purchases – Payments to e-wallets, gambling, payment providers, financial services, prepaid cards, or gift cards aren't valid. Other transactions with businesses that we consider inappropriate in light of the purpose of the Campaign are also not eligible. ## What are the odds of the Raffle?

The chances of winning depend on the amount of money spent on your card.

- Spending JPY 10,000 or more, but less than JPY 50,000 (Consumption tax included), will increase odds by x1
- Spending JPY 50,000 or more (Consumption tax included) will increase odds by x2

## How much Cashback can I get?

The amount of cashback you can receive depends on the plan of your Revolut account, as follows:
