

What is this Promotion about?

As part of the Revolut x Partner Free Trial Promotion (the "**Promotion**"), Revolut is offering prospective customers in selected countries (the "**Eligible Countries**") the opportunity to sign up for a Revolut Personal account for the first time using a link or a code provided by an affiliated Revolut partner, like Comparison websites, a cashback websites, blogs (the "**Partner**") and receive a Revolut account free subscription plan for a limited time (the "**Free Trial**").

The Promotion will run for a specific period of time (the "**Promotion Period**"). The Eligible Countries, details of the subscription plan, Free Trial period and Promotion Period will be clearly set out in the Partner's app and/or on the Partner's website and/or on their social media as well as on the Revolut page when you click on the unique link for the Promotion (the "**Landing Page**").

These terms and conditions (the "**Promotion Terms**") govern a number of different promotions (each a "**Revolut x Partner Free Trial Promotion**"). The Promotion Terms, along with the Landing page, set out the rules that apply to the Promotion, and you must comply with these Promotion Terms and also the [Personal terms](#) that apply to your Revolut Personal account, and [Paid Plan terms](#) and [Fees pages](#) relevant to your offered subscription plan at all times when participating in the Promotion.

What do I need to do to take part in the Promotion?

To be considered an "**Eligible Participant**" for this Promotion you **must**:

- Have a residential address in an Eligible Country;
- be at least 18 years of age;
- not have or have previously held a Revolut personal account with any Revolut group entity; and
- Either receive marketing directly from the Partner about this Promotion or see the Promotion marketed in the Partner's app and/or on the Partner's website and/or on their social media so you can follow the below steps to benefit from the Promotion (you will only receive an email/SMS/push notification from the Partner if you have already provided your personal data to the Partner and are happy for the Partner to send marketing to you).

You must also complete the following **steps** before the end of the Promotion Period:

- **Click on the unique link** for the Promotion provided by the Partner and provide your phone number. Once you have provided your phone number, you will be directed to the Revolut app sign up flow for a Revolut Personal account; and

- **Successfully open a Revolut Personal account** for the first time through the Promotion unique link.

You must successfully complete all of the above steps by the end of the Promotion Period in order to receive the Free Trial.

You must use the Promotion unique link provided as part of this Promotion to sign up for a Revolut Personal account. If you sign up using the normal account opening process in our app, you will not be able to take part in this Promotion.

How do I start my Free Trial?

To start your Free Trial, you will need to complete the steps to upgrade your Revolut Personal account to the subscription plan you are being offered as part of the Free Trial **within 72 hours of your Revolut Personal account being successfully opened, even if the 72 hour period expires after the end of the Promotion Period.**

This means your Revolut Personal account must be successfully opened before the end of the Promotion Period but it doesn't matter if you don't upgrade to the relevant subscription plan until after the end of the Promotion Period; you'll still be able to start your Free Trial as long as you upgrade before the 72 hour cut off.

Just so you know, the [Paid Plan terms](#) will apply to you during your Free Trial. We will not charge you the subscription fee for the period of time included in your Free Trial. On the expiry of the Free Trial, normal cancellation and billing rules will apply and we'll start taking payments for your subscription either monthly or yearly depending on what you agreed to when you signed up for the Paid plan.

Right to cancel

You have **the right to cancel** your subscription plan within the Free Trial, after which normal cancellation rules will apply. Depending on the Revolut group entity that provides you with your Personal account, this could mean that normal fees for downgrading your Paid Plan subscription will apply or that you are bound by a minimum term during which you cannot downgrade (see sections 11 and 12 of the [Paid Plan terms](#) for more information).

Termination of your account is subject to the rules set on your [Personal terms](#).

Physical Revolut card

You can order one Revolut card free of charge during your Free Trial period. However, if you decide to cancel your subscription during your cooling off period, you will have to pay us the fee for the delivery of the card and the card itself if you ordered a "Metal" or "Ultra" card. You may also have to pay a card delivery fee and a fee for the card itself if you order any additional Revolut card.

Please refer to the [Fees pages](#) to see the fees associated with card delivery and any fees for the card itself.
