2. What type of account is my Savings Account?

Your Savings account (the **Savings Account**) with us is a demand deposit account, and the money in it is held by us as a deposit. In these terms and conditions we may refer to it as the "Savings Account", or an "account". You can only open a Savings Account if you have opened a Revolut current account with us.

When you put money as a deposit into your Savings Account, we accept the money, hold it for you, and undertake to return it to you upon your request. The only way you can put money into, or take money out from, your Savings Account is by having a current account with us in the way described in these Savings Account Terms.

Keep in mind that your Savings Account is not a payment account and cannot be used for sending or receiving payments, and you can only place your deposit in the way described in these Savings Account Terms.

You can open multiple Savings Accounts with Revolut, all of them under these Savings Account Terms, and you will only have to accept these terms the first time you open an Savings Account and that we will send those documents to you at that occasion on durable medium.

Each of these Savings Accounts can be terminated at any time by you. Opening a new Savings Account won't automatically close the existing Savings Account. In case you terminate all of your Savings Accounts with Revolut, it will also lead to termination of your Savings Account relationship with Revolut. However, closing all your Savings Accounts does not mean that other accounts you have with Revolut (for example, your current account or a joint account) will also be terminated, unless we inform you otherwise.

You must not use your Savings Account for business purposes.

3. Can I open a Savings Account?

You can open a Savings Account only if you are a customer of Revolut Bank UAB Hungarian Branch and fulfil the other conditions under these Savings Account Terms.

By accepting these Savings Account Terms, you confirm that you have received, read and understood the standard information for deposit insurance of the Public Institution "Deposit and Investment Insurance" (Viešoji įstaiga "Indėlių ir investicijų draudimas") which is also available [here](#).

When you ask us to open a Savings Account, we or our representatives may ask for information about you and where the money you will deposit into your Savings Account comes from. We do this for a number of reasons, including to check your identity, and to meet our legal and regulatory requirements. Make sure you have provided us with all the information we have requested from you (including your Hungarian tax residency and TIN number). When we have the information we need, we will open your Savings Account, and you can make a deposit into it. If you have already provided this information to one of our group entities when opening a current account, you acknowledge and agree that we may use and rely on that information for this purpose.

We would need you to be a Hungarian tax resident and provide your Hungarian TIN to support a Savings Account under Revolut Bank UAB Hungarian Branch. In case you do not submit requisite details per the product eligibility conditions until you are migrated to Revolut Bank UAB Hungarian Branch, we will close your Savings Account prior to said migration.

Our [Customer Privacy Notice](#) explains how we use your information for these and other purposes.

We can only provide Savings Account services to you once you have passed our internal checks, and not before. We will notify you via the Revolut app once this has happened and will let you know once your Savings Account is opened.

If any of your personal details change, you must notify us immediately. In case of product eligibility failure post Savings Account creation, Revolut reserves the right to close your Savings Account without any notice.

When we refer to "email" we mean the email you provided to us during the onboarding process (unless you updated your email afterwards). It's important that you provide your primary email address and check it regularly. Should your email address change or should you have any trouble receiving or opening emails from us, you must notify us immediately. Otherwise, you agree that if an email has been delivered to your email address, you should have read it, even if you failed to do so for whatever reason.

4. How to make a deposit into my Savings Account

Add money at any time

Deposits to your Savings Account can only be made by transferring funds from your

current account held with us to your Savings Account.

These deposits can be made at any time. You can place your deposit *in the currency of the Savings Account*. The total amount of money you can add to your Savings Accounts (and cumulatively across all your savings with Revolut in the same currency)) is limited to 20,000,000 HUF for deposits in HUF or 100,000 EUR (*or currency equivalent*) for deposits in other currencies. The frequency of your additions is not limited. These limits may increase in future in which case they will be updated in the terms and conditions.

How soon will money be credited?

Your deposit will be credited to your Savings Account immediately after you transfer funds to your Savings Account.

5. Will you pay any interest on the Deposit held in my Savings Account?

We will pay interest daily on the balance of your Savings Account by the end of each day. Interest will be calculated at a yearly rate indicated in the Deposit Information Sheet attached as Schedule 1 (*Deposit Information Sheet*) to these terms and conditions and also available on the Revolut App and [here](#). The yearly rate may differ depending on the paid subscription plan you have with us.

The interest is calculated based on the actual number of days in a year, and the actual number of days in a month. The interest accrued will be subject to taxation and interest paid to you will be net of Hungarian withholding taxes as required under Hungarian tax laws. For more information, please refer to Section 21 of the Savings Account Terms. The interest will begin accruing immediately, and the first interest payment will be done on the next calendar day after you deposit funds from your current account to your Savings Account.

You'll earn interest on your balance in the Savings Account until the day you withdraw the funds from the Savings Account.

The interest will be calculated using the following formula:

Gross Interest = Closing balance in your Savings Account * Gross Interest Rate/ 365

Personal Income tax and social contribution tax (SZOCHO), in line with Hungarian tax regulations will be deducted on the interest accrued.

The minimum threshold for interest payable is 0.01 HUF (*or smallest denomination of the currency of the Savings Account*). If you earn less than this on a given day, no interest will be payable.

The calculation formula of the uniform deposit interest rate indicator (**EBKM**) applied under the individual deposit agreements is as follows:

(i) if the number of days remaining until the maturity of the deposit is less than 365

days, then
$$\text{Elhelyezett betét} = \sum_{i=1}^n \frac{(k + bv)_i}{1 + r \times (t_i / 365)};$$
 or

(ii) if the number of days remaining until the maturity of the deposit is at least 365 days, and in the case of a sight deposit or a deposit fixed for an indefinite term, then

$$\text{Elhelyezett betét} = \sum_{i=1}^n \frac{(k + bv)_i}{(1 + r)^{(t_i / 365)}};$$

where:

n is: the number of interest payments;

r is: the EBKM percentage;

t_i is: the number of days remaining from the deposit fixing day until payment no. i;

(k+bv)_i is: the amount of the interest earned and the deposit amount paid back at payment no. i.

However, EBKM shown on the Revolut app and Deposit Information Sheet has been calculated using the gross rate (i.e. a rate before the Hungarian withholding tax) and maturity period as 30 days. For instance, if a user deposits 100,000 HUF on Day 1 in a Savings Account providing gross interest at 2.5% p.a, then EBKM value will be 2.50%. The calculation method the above sample is as follows:

$$\text{EBKM} = ((100205.68 / 100000) - 1) \times 12 = 2.50\%$$

6. How to make a withdrawal from my Savings Account?

We will return money to you from the Savings Account at your request. Withdrawal requests can be made by you at any time and in any amounts not exceeding the available balance of your Savings Account. When you withdraw the money from your Savings Account, we will transfer the funds to your current account held with us.

7. How is my money protected?

Your money is protected once it reaches your Savings Account which happens immediately after you transfer these funds from your current account to your Savings Account. When you are adding money to your Savings Account from your current account with us, the funds in your Savings Account are protected in a way described in our [Personal Terms](#) applicable to you.

Your eligible deposits are insured by the Lithuanian Deposit Insurance scheme (Public Institution Deposit and Investment Insurance) in accordance with the conditions established by the Law on Insurance of Deposits and Liabilities to Investors of the Republic of Lithuania which are available [here](#).

8. Keeping your security details safe

We do everything we can to keep your money safe. We ask you to do the same by keeping your security details safe. This means you should make sure they are kept secure, not accessible to other people, and not shared with anyone else.

Sometimes it's easy to forget to take the steps you should take to keep your money safe. Here are a couple of tips:

- make sure you don't leave the Revolut app open on an unlocked device; and
- keep your mobile device and your email account secure and don't let other people use them.

Contact us through the Revolut app as soon as possible if your security details could be used without your permission.

You can contact us in the following ways

Tell us about lost or stolen or security details:

- Send us a message through chat on the Revolut app.

- Email us at support@revolut.com.
- Call us to block a lost or stolen card on +370 5 214 3608 (your telecommunication service provider's standard rates apply)

9. Are there any restrictions on using the Revolut app?

Please act reasonably and responsibly when using the Revolut app.

The Revolut app must not be used (directly or indirectly) as follows:

- for illegal purposes (for example, committing fraud);
- in a way that might harm our ability to provide our services;
- to control or use a Savings Account that's not yours;
- to allow anyone else to have access to or use Savings Account or the Revolut app; or
- for business purposes.

Please also act in a respectful way towards us and our support staff – we're here to help you.

10. When we might prevent you from using your Savings Account

The safety of your money is important to us, therefore we can prevent you from using your Savings Account. For example, we will deny the repayment of any deposit and will not credit any additional deposit if we're reasonably concerned about its security or that it might be used fraudulently or without your permission.

We might also have to prevent you from using your Savings Account to meet our legal obligations arising from the laws of Hungary.

We'll tell you through the Revolut app before, or as soon as possible after, we have

limited the use of your Savings Account. We'll also let you know why we've done it (unless it would reduce your or our security or it would be unlawful). We will let you use your Savings Account normally as soon as the reasons for the limit no longer exist.

11. When could you suspend or close my Savings Account?

We may close or suspend your Savings Account immediately (including the access to the services provided by the other Revolut entities) and end your access to the Revolut app, in exceptional circumstances. Exceptional circumstances include the following:

- If your current account with us is closed;
- if we have good reason to suspect that you are behaving fraudulently or otherwise criminally;
- if you've broken these Savings Terms in a serious or persistent way and you haven't put the matter right within a reasonable time of us asking you to;
- if we have information that your use of the Revolut app is harmful to us or our software, systems or hardware, or our reputation or goodwill;
- if you've been declared bankrupt;
- if you die or a declaratory judgement of your death is pronounced; or
- if we have to do so under any law, regulation, court order or ombudsman's instructions.

We may also close your Savings Account in case we change our business model and we no longer offer a demand deposit product in a specific geography. If we do so, we will inform you in advance of closing your Savings Account in accordance with these terms and conditions. Upon closing your Savings Account, we will return any remaining balance in your Savings Account to your current account held with us. We will consider that you gave us consent and authorised us to execute this transaction. We may allow you to make a withdrawal directly from your Savings Account to your current account as well. In case of product eligibility failure post Savings Account creation, Revolut reserves the right to close your Savings Account without any notice. Any money in the Savings Account will be moved to your main account.

12. Are we responsible if something goes wrong with your Savings Account or the Revolut app?

We'll do as much as reasonably possible to make sure that our services are not interrupted and are accessible at a reasonable speed. However, we can't promise that this will always be the case or that the services will be free from faults. We also may rely on some third parties to provide services to you, which can disrupt our services. We'll always do our best to solve any problems with our services, no matter what the cause. We will not be responsible for losses resulting from us failing to meet our obligations to timely credit into your Savings Account incoming money or debit from your Savings Account money being withdrawn because:

- of a legal or regulatory requirement; or
- unforeseeable events outside our control, which were unavoidable at the time;
- of criminal or any other illegal actions of third parties resulting in damage to you or any other person (unless specified in these terms and conditions directly); or
- of the blocking of your Savings Account when implementing legal requirements, including those in relation to anti-money laundering and counter-terrorist financing.

We will only be responsible for foreseeable losses

If we break this agreement, we will be responsible for any loss that we could have foreseen at the time we entered into the agreement, also for the loss that results from our fraud or gross negligence.

We won't be responsible to you for any of the following, whether direct or indirect, that arises in connection with this agreement:

- loss of income or profit;
- loss of goodwill or damage to your reputation;
- loss of business contracts or opportunities;
- loss of anticipated savings; or
- consequential loss.

Nothing in this agreement removes or limits our liability for death or personal injury resulting from our negligence or from fraud or fraudulent claims and statements.

13. Our right to withdraw money from your Savings Account in exceptional cases

We have a right to withdraw money from your Savings Account without your instruction in the following cases:

- if money was transferred to your Savings Account without any legal basis (i.e. due to fraud, mistakes or technical errors);
- when we, as a service provider, are required by applicable laws, to withhold and pay to competent authorities taxes that apply to you in your capacity as a depositor; or
- in other cases, as established by Hungarian laws and other applicable

legislation.

14. When you might be responsible for our losses?

You may be responsible to us for certain losses.

If you have broken this agreement and this has caused us to suffer a loss, the following will apply:

- you will be responsible for any foreseeable losses we suffer as a result of your action (we will try to keep the losses to a minimum); and
- you will also be responsible for any reasonable legal costs that arise as a result of our losses.

15. How do I get information about transactions for my Savings Account?

You can check all Savings Account inflows and outflows through the Revolut app. If you need to keep a copy of the information after your Savings Account is closed, you will need to download it. You can download information from the Revolut app while you are

a customer or, if your Savings Account is closed, you can contact us at support@revolut.com and we will provide you with such information.

Periodic information - we will send you a separate notice once a year or within thirty days of the termination of your Savings Vault Account containing the inflows and outflows on your Savings Vault Account for the previous 12 (twelve) months or less if your Savings Account was opened for less than 12 (twelve) months.

- if we think it will make it easier to understand or more helpful to you;
- to reflect the way our business is run, particularly if the change is needed because of a change in the way any financial system or technology is provided;
- to reflect legal or regulatory requirements that apply to us (including any statutory legislation and other legal means of state control, local legal acts and legal acts of the European Union, or a resolution, order, recommendation or guideline by a court, arbitration committee or administrative body which govern the agreement relationship between you and us under these terms and conditions, or any change in their official or court interpretation);
- to reflect changes in the cost of running our business (e.g. changes in the tax, capital or liquidity requirements that apply to us, in our operating costs, or to other factors which impact our costs); or
- to reflect changes in the amount of the fee for applicable mandatory deposit insurance;
- to reflect changes in financial market conditions and the macroeconomic events (e.g. interbank lending and deposit rates, the base rate of the Central Bank of

Hungary and other national banks, the aggregate or service-related consumer price index, inflation, change in interests and yields defined by third-party and incurred by us in relation to our services provided to you, and other factors changing the markets in which we operate or our position within them);

- to reflect changes in service conditions of third-parties (e. g. outsourced party, agent) in connection with the services provided by us to you; or
- because we are changing or introducing new services or products that affect our existing services or products covered by these Savings Account Terms.

Telling you about changes

If we add a new product or service that doesn't change the agreement we may add the product or service immediately and let you know before you use it.

If we add amendments affecting fees and costs, or if we change these terms in any other way we will give you at least 2 (two) month notice through the Revolut app and/or email before we make any change, unless otherwise provided by law. We'll assume you're happy with the change unless you tell us that you want to close your account before the change comes into effect.

In the event of an unfavourable modification of interest, fees, costs and other agreement conditions you are entitled to close your account, and so terminate your agreement immediately without payment of any fees, upon the day before the amendment takes effect.

Fees and costs changes to you under these terms and conditions, including those expressed in percentage and the minimums and maximum amount of fees expressed in percentage, shall be subject to change by the rate of inflation published by the Hungarian Central Statistical Office, as from the last day of the month following such publication. We may choose to make changes for inflation immediately, or defer them and apply them on a cumulative basis.

20. Changing the interest rate

We have the right to change the annual interest rate applicable to you. If the rate is decreased, then we'll let you know at least 2 (two) months before the change takes effect.

If the rate is increased, we can make the change immediately. We may notify you about it prior or after the change.

Remember, the yearly rate may differ depending on the paid subscription plan you have

with us. If you change (upgrade or downgrade) your subscription, your yearly rate will either increase or decrease. We will not be responsible for any losses you incur if you downgrade your paid subscription.

21. Fees and Taxes

Revolut Bank does not charge any fees that apply to you for and in relation to Revolut Bank services under this agreement. This also means that you will not pay any fees for us in relation to using the Revolut App or any other means of distance communication for your Savings Account.

You note and accept that you have sole responsibility for the management of your legal obligations and tax affairs, including making any applicable filings and tax payments, and complying with any applicable laws and regulations. These may depend on your personal tax status and the tax rules and regulations in force that may change from time to time.. You should seek independent advice from a professionally qualified tax adviser if you have any questions in this regard.

In line with applicable Hungarian tax law, we are obliged to deduct and withhold a 15% for Personal Income Tax and a 13% for Social Contribution Tax (SZOCHO) from any interest credited to your Savings Account(s). For the avoidance of doubt we will not increase (gross up) any payment in respect of such deduction or withholding tax or otherwise compensate you for that deduction of withholding tax. We will deduct the relevant tax from your interest before the interest is paid out into your Savings Account. In the case of very small saving account balances, and owing to the need to round withholding tax, there may be instances where the withholding tax percentage appears greater than the statutory rate.

22. How do I close my Savings Account?

You can withdraw from your Savings Account and so end this agreement within the first 14 days of opening it by letting us know through the Revolut app or by emailing us at support@revolut.com. You have a right to withdraw without paying any penalties and without having to indicate any reason. In case of withdrawal from your Savings Account, we will return any remaining balance and the accrued interest to your current account.

You retain your right to close your Savings Account and so end this agreement, at any

time and free of charge by letting us know, even after the 14 days period has passed. You can do this through the Revolut app or by emailing us at support@revolut.com.

What happens if my current account is closed?

Immediately after your Savings Account is closed, we will return any remaining balance, including accrued interest, to your current account held with us.

Your current account with us and your Savings Account are different accounts and it is impossible to subscribe for a Savings Account with us without subscribing for a current account. Closing the Savings Account will not automatically close the current account.

If your current account is closed, we will have to close your Savings Account as well.

- you, the Savings Account holder; and

We call this agreement the Savings Account Terms. This agreement is indefinite. It means that it is valid until you or we end it. If there is any inconsistency between the [Personal terms](#) and these terms and conditions, these terms and conditions will apply.

These Savings Account Terms are entered into by means of distance communication.

You agree that these Savings Account Terms and any other communications between us, will be in English. We will try our best to respond to you in your preferred language, but we reserve the right to respond in English.

You can access these Savings Account Terms along with Revolut Bank Privacy Policy, information on deposit insurance of the Public Institution "Deposit and Investment Insurance" (Viešojo įstaiga "Indėlių ir investicijų draudimas") and other terms and conditions that apply to our services in the Revolut App or on our website at any time.

2. What type of account is my Savings Account?

Your Savings account (the **Savings Account**) with us is a demand deposit account, and the money in it is held by us as a deposit. In these terms and conditions we may refer to it as the "Savings Account", or an "account". You can only open an account if you have opened a current account with us.

When you put money as a deposit into your Savings Account, we accept the money, hold it for you, and undertake to return it to you upon your request. The only way you can put money into, or

take money out from, your Savings Account is by having a current account with us in the way described in these Savings Account Terms.

Keep in mind that your Savings Account is not a payment account and cannot be used for sending or receiving payments, and you can only place your deposit in the way described in these Savings Account Terms.

You can open multiple Savings Accounts with Revolut. Each of these Savings Accounts can be terminated at any time by you. Opening a new Savings Account won't automatically close the existing Savings Account. In case you terminate all of your Savings Accounts with Revolut, it will also lead to termination of your Savings Account relationship with Revolut. However, closing all your Savings Accounts does not mean that other accounts you have with Revolut (for example, your current account or a joint account) will also be terminated, unless we inform you otherwise.

You must not use your Savings Account for business purposes.

3. Can I open a Savings Account?

You can open a Savings Account only if you are a customer of Revolut Bank UAB and fulfil the other conditions under these Savings Account Terms.

By accepting these Savings Account Terms, you confirm that you have received, read and understood the standard information for deposit insurance of the Public Institution "Deposit and Investment Insurance" (Viešoji įstaiga "Indėlių ir investicijų draudimas") which is also available [here](#).

When you ask us to open a Savings Account, we or our representatives may ask for information about you and where the money you will deposit into your Savings Account comes from. We do this for a number of reasons, including to check your identity, and to meet our legal and regulatory requirements. Make sure you have provided us with all the information we have requested from you (including your Hungarian Tax residency and Hungarian TIN number). When we have the information we need, we will open your Savings Account, and you can make a deposit into it. If you have already provided this information to one of our group entities when opening a current account, you acknowledge and agree that we may use and rely on that information for this purpose.

We would need you to be a Hungarian tax resident and provide your Hungarian TIN to support a Savings Account under Revolut Bank UAB Hungarian Branch. In case you do not submit requisite details per the product eligibility conditions until you are migrated to Revolut Bank UAB Hungarian Branch, we will close your Savings Account prior to said migration.

Our [Customer Privacy Notice](#) explains how we use your information for these and other

purposes.

We can only provide services to you once you have passed our internal checks, and not before. We will notify you via the Revolut app once this has happened and will let you know once your Savings Account is opened.

If any of your personal details change, you must notify us immediately. In case of product eligibility failure post Savings Account creation, Revolut reserves the right to close your Savings Account without any notice.

When we refer to "email" we mean the email you provided to us during the onboarding process (unless you updated your email afterwards). It's important that you provide your primary email address and check it regularly. Should your email address change or should you have any trouble receiving or opening emails from us, you must notify us immediately. Otherwise, you agree that if an email has been delivered to your email address, you should have read it, even if you failed to do so for whatever reason.

4. How to make a deposit into my Savings Account

Add money at any time

Deposits to your Savings Account can only be made by transferring funds from your current account held with us to your Savings Account.

These deposits can be made at any time. You can place your deposit *in the currency of the Savings Account*. The total amount of money you can add to your Savings Accounts (and cumulatively across all your savings with Revolut in the same currency)) is limited to 20,000,000 HUF for deposits in HUF or 100,000 EUR (*or currency equivalent*) for deposits in other currencies. The frequency of your additions is not limited. These limits may increase in future in which case they will be updated in the terms and conditions.

How soon will money be credited?

Your deposit will be credited to your Savings Account immediately after you transfer these funds from your current account to your Savings Account.

5. Will you pay any interest on the Deposit held in my Savings Account?

We will pay interest daily on the balance of your Savings Account by the end of each day. Interest will be calculated at a yearly rate indicated in the Deposit Information Sheet attached as Schedule 1 (*Deposit Information Sheet*) to these terms and conditions and also available on the Revolut App and [here](#). The yearly rate may differ depending on the paid subscription plan you

have with us.

The interest is calculated based on the actual number of days in a year, and the actual number of days in a month. The interest accrued will be subject to taxation and interest paid to you will be net of Lithuanian withholding taxes as required under Lithuanian tax laws. For more information, please refer to Section 21 of the Savings Account Terms. The interest will begin accruing immediately, and the first interest payment will be done on the next calendar day after you deposit funds from your current account to your Savings Account.

You'll earn interest on your balance in the Savings Account until the day you withdraw the funds from the Savings Account.

The interest will be calculated using the following formula:

Gross Interest = Closing balance in your Savings Account * Gross Interest Rate/ 365

Personal Income tax, in line with Lithuanian tax regulations will be deducted on the interest accrued.

The minimum threshold for interest payable is 0.01 HUF (*or smallest denomination of the currency of the Savings Account*). If you earn less than this on a given day, no interest will be payable.

The calculation formula of the uniform deposit interest rate indicator (**EBKM**) applied under the individual deposit agreements is as follows:

(i) if the number of days remaining until the maturity of the deposit is less than 365 days, then

$$\text{Elhelyezett betét} = \sum_{i=1}^n \frac{(k + bv)^i}{1 + r \times (t_i / 365)}; \text{ or}$$

(ii) if the number of days remaining until the maturity of the deposit is at least 365 days, and in the case of a sight deposit or a deposit fixed for an indefinite term, then

$$\text{Elhelyezett betét} = \sum_{i=1}^n \frac{(k + bv)^i}{(1 + r)^{t_i / 365}};$$

where:

n is: the number of interest payments;

r is: the EBKM percentage;

t_i is: the number of days remaining from the deposit fixing day until payment no. i; (k+bv)ⁱ is: the

amount of the interest earned and the deposit amount paid back at payment no. i.

However, EBKM shown on the Revolut app and Deposit Information Sheet has been calculated using the gross rate (i.e. a rate before the Lithuanian withholding tax) and maturity period as 30 days. For instance, if a user deposits 100,000 HUF on Day 1 in a Savings Account providing gross interest at 2.5% p.a, then EBKM value will be 2.50%. The calculation method the above sample is as follows:

$$\text{EBKM} = ((100205.68 / 100000) - 1) * 12 = 2.50\%$$

6. How to make a withdrawal from my Savings Account?

We will return money to you from the Savings Account at your request. Withdrawal requests can be made by you at any time and in any amounts not exceeding the available balance of your Savings Account. When you withdraw the money from your Savings Account, we will transfer the funds to your current account held with us.

7. How is my money protected?

Your money is protected once it reaches your Savings Account which happens immediately after you transfer these funds from your current account to your Savings Account. When you are adding money to your Savings Account from your current account with us, the funds in your Savings Account are protected in a way described in our [Personal terms](#) applicable to you.

Your eligible deposits are insured by the Lithuanian Deposit Insurance scheme (Public Institution Deposit and Investment Insurance) in accordance with the conditions established by the Law on Insurance of Deposits and Liabilities to Investors of the Republic of Lithuania which are available [here](#).

8. Keeping your security details safe

We do everything we can to keep your money safe. We ask you to do the same by keeping your security details safe. This means you should make sure they are kept secure, not accessible to other people, and not shared with anyone else.

10. When we might prevent you from using your Savings Account

The safety of your money is important to us, therefore we can prevent you from using your Savings Account. For example, we will deny the repayment of any deposit and will not credit any additional deposit if we're reasonably concerned about its security or that it might be used fraudulently or without your permission.

We might also have to prevent you from using your Savings Account to meet our legal obligations arising from the laws of the Republic of Lithuania.

We'll tell you through the Revolut app before, or as soon as possible after, we have limited the use of your Savings Account. We'll also let you know why we've done it (unless it would reduce your or our security or it would be unlawful). We will let you use your Savings Account normally as soon as the reasons for the limit no longer exist.

11. When could you suspend or close my Savings Account?

We may close or suspend your Savings Account immediately (including the access to the services provided by the other Revolut entities) and end your access to the Revolut app, in exceptional circumstances. Exceptional circumstances include the following:

- If your current account with us is closed;
- if we have good reason to suspect that you are behaving fraudulently or otherwise criminally;

- if you've been declared bankrupt;
- if you die or a declaratory judgement of your death is pronounced; or
- if we have to do so under any law, regulation, court order or ombudsman's instructions.

We may also close your Savings Account in case we change our business model and we no longer offer a demand deposit product in a specific geography. If we do so, we will inform you in advance of closing your Savings Account in accordance with these terms and conditions. Upon closing your Savings Account, we will return any remaining balance in your Savings Account to your current account held with us. We will consider that you gave us consent and authorised us to execute this transaction. We may allow you to make a withdrawal directly from your Savings Account to your current account as well. In case of product eligibility failure post Savings Account creation, Revolut reserves the right to close your Savings Account without any notice. Any money in the Savings Account will be moved to your main account.

12. Are we responsible if something goes wrong with your Savings Account or the Revolut app?

We'll do as much as reasonably possible to make sure that our services are not interrupted and

are accessible at a reasonable speed. However, we can't promise that this will always be the case or that the services will be free from faults. We also may rely on some third parties to provide services to you, which can disrupt our services. We'll always do our best to solve any problems with our services, no matter what the cause.

We will not be responsible for losses resulting from us failing to meet our obligations to timely credit into your Savings Account incoming money or debit from your Savings Account money being withdrawn because:

- of a legal or regulatory requirement; or
- unforeseeable events outside our control, which were unavoidable at the time;
- of criminal or any other illegal actions of third parties resulting in damage to you or any other person (unless specified in these terms and conditions directly); or
- of the blocking of your Savings Account when implementing legal requirements, including those in relation to anti-money laundering and counter-terrorist financing.

We will only be responsible for foreseeable losses

If we break this agreement, we will be responsible for any loss that we could have foreseen at the time we entered into the agreement, also for the loss that results from our fraud or gross negligence.

We won't be responsible to you for any of the following, whether direct or indirect, that arises in connection with this agreement:

We have a right to withdraw money from your Savings Account without your instruction in the following cases:

- if money was transferred to your Savings Account without any legal basis (i.e. due to fraud, mistakes or technical errors);
- when we, as a service provider, are required by applicable laws, to withhold and pay to competent authorities taxes that apply to you in your capacity as a depositor; or
- in other cases, as established by Lithuanian laws and other applicable legislation.

14. When you might be responsible for our losses?

You may be responsible to us for certain losses.

If you have broken this agreement and this has caused us to suffer a loss, the following will apply:

- you will be responsible for any foreseeable losses we suffer as a result of your action (we will try to keep the losses to a minimum); and
- you will also be responsible for any reasonable legal costs that arise as a result of our losses.

15. How do I get information about transactions for my Savings Account?

You can check all Savings Account inflows and outflows through the Revolut app. If you need to keep a copy of the information after your Savings Account is closed, you will need to download it. You can download information from the Revolut app while you are a customer or, if your Savings Account is closed, you can contact us at support@revolut.com and we will provide you with such information.

Communicating with you

We'll communicate with you through the Revolut app. Other Revolut group entities may also communicate with you via the Revolut app if this is agreed with you and that entity.

This is how we will provide Savings Account information. It is also how we will tell you if there is a security threat to your Savings Account. Make sure you regularly check the Revolut app for this information.

19. We can change these Savings Account Terms

We'll only change the agreement for the following reasons:

- if we think it will make it easier to understand or more helpful to you;
- to reflect the way our business is run, particularly if the change is needed because of a change in the way any financial system or technology is provided;
- to reflect legal or regulatory requirements that apply to us (including any statutory legislation and other legal means of state control, local legal acts and legal acts of the European Union, or a resolution, order, recommendation or guideline by a court, arbitration committee or administrative body which govern the agreement relationship between you and us under these terms and conditions, or any change in their official or court interpretation);
- to reflect changes in the cost of running our business (e.g. changes in the tax, capital or liquidity requirements that apply to us, in our operating costs, or to other factors which impact our costs); or
- to reflect changes in the amount of the fee for applicable mandatory deposit insurance;
- to reflect changes in financial market conditions and the macroeconomic events (e.g. interbank lending and deposit rates, the base rate of the Central Bank of Hungary and other national banks, the aggregate or service-related consumer price index, inflation, change in interests and yields defined by third-party and incurred by us in relation to our services provided to you, and other factors changing the markets in which we operate or our position within them);

- to reflect changes in service conditions of third-parties (e. g. outsourced party, agent) in connection with the services provided by us to you; or
- because we are changing or introducing new services or products that affect our existing services or products covered by these Savings Account Terms.

Telling you about changes

If we add a new product or service that doesn't change the agreement we may add the product or service immediately and let you know before you use it.

If we add amendments affecting fees and costs, or if we change these terms in any other way we will give you at least 2 (two) month notice through the Revolut app and/or email before we make any change, unless otherwise provided by law. We'll assume you're happy with the change unless you tell us that you want to close your account before the change comes into effect.

In the event of an unfavourable modification of interest, fees, costs and other agreement conditions you are entitled to close your account, and so terminate your agreement immediately without payment of any fees, upon the day before the amendment takes effect.

Fees and costs changes to you under these terms and conditions, including those expressed in percentage and the minimums and maximum amount of fees expressed in percentage, shall be subject to change by the rate of inflation published by the Hungarian Central Statistical Office, as from the last day of the month following such publication. We may choose to make changes for inflation immediately, or defer them and apply them on a cumulative basis.

20. Changing the interest rate

We have the right to change the annual interest rate applicable to you. If the rate is decreased, then we'll let you know at least 2 (two) months before the change takes effect.

If the rate is increased, we can make the change immediately. We may notify you about it prior or after the change.

Remember, the yearly rate may differ depending on the paid subscription plan you have with us. If you change (upgrade or downgrade) your subscription, your yearly rate will either increase or decrease. We will not be responsible for any losses you incur if you downgrade your paid subscription.

21. Fees and Taxes

Revolut Bank does not charge any fees that apply to you for and in relation to Revolut Bank services under this agreement. This also means that you will not pay any fees for us in relation

to using the Revolut App or any other means of distance communication for your Savings Account.

You note and accept that you have sole responsibility for the management of your legal obligations and tax affairs, including making any applicable filings and tax payments, and complying with any applicable laws and regulations. These may depend on your personal tax status and the tax rules and regulations in force that may change from time to time. In particular you will be responsible for deciding and making any tax related claims for reduction or exemption from withholding taxes. You should seek independent advice from a professionally qualified tax adviser if you have any questions in this regard.

In line with applicable Lithuanian tax law, we are obliged to make a 15% withholding tax deduction from any interest credited to your Savings Account(s). For the avoidance of doubt we will not increase (gross up) any payment in respect of such deduction or withholding tax or otherwise compensate you for that deduction of withholding tax. We will deduct the relevant tax from your interest before the interest is paid out into your Savings Account. In the case of very small saving account balances, and owing to the need to round withholding tax, there may be instances where the withholding tax percentage appears greater than the statutory rate.

22. How do I close my Savings Account?

You can withdraw from your Savings Account and so end this agreement within the first 14 days of opening it by letting us know through the Revolut app or by emailing us at support@revolut.com. You have a right to withdraw without paying any penalties and without having to indicate any reason. In case of withdrawal from your Savings Account, we will return any remaining balance and the accrued interest to your current account.

You retain your right to close your Savings Account and so end this agreement, at any time and free of charge by letting us know, even after the 14 days period has passed. You can do this through the Revolut app or by emailing us at support@revolut.com.

What happens if my current account is closed?

Immediately after your Savings Account is closed, we will return any remaining balance and accrued interest to your current account held with us.

Your current account with us and your Savings Account are different accounts and it is impossible to subscribe for a Savings Account with us without subscribing for a current account. Closing the Savings Account will not automatically close the current account.

If your current account is closed, we will have to close your Savings Account as well.

23. Legal bits and pieces

Data Protection

We need to collect information about you to provide you with the services under the agreement. For more information about how we use and share your personal information, see our Customer Privacy Notice (accessible [here](#)).

By entering into the agreement, you acknowledge that we will gather and store your personal information for the purpose of providing our services to you. This doesn't affect any rights and obligations you or we have under data protection law.

Our contract with you

Only you and we have any rights under the agreement.

The agreement is personal to you and you cannot transfer any rights or obligations under it to anyone else, without our consent.

Our right to transfer and assign

You agree and permit us to merge, reorganise, spin-off, transform or execute any other form of reorganisation or restructuring of our company or business and/or transfer or assign all of our rights and obligations under these Savings Account Terms to any third party.

We will only transfer any of your and our rights or obligations under these Savings Account Terms if this won't have a significant negative effect on your rights under these Savings Account Terms or we need to do so to keep to any legal or regulatory requirement, or it is done as a result of implementation of reorganisation (or a similar process). You will be able to terminate the Savings Account upon notification about the assignment, merger, reorganisation or any other similar notification.

Lithuanian law applies

The laws of the Republic of Lithuania govern your relationship with us. They also apply to this agreement. Despite this, you can still rely on the mandatory consumer protection rules of the European Economic Area Member State where you live.

Place of conclusion of this agreement

This agreement is deemed to be concluded in the place where you live at the moment of conclusion.

The English version of the agreement applies

If these Savings Account Terms are translated into another language, the translation is for reference only and the English version will apply. By entering into this agreement and accepting Revolut Bank's services, you confirm that you understand the English language and agree to communicate with Revolut Bank in English regarding this agreement.

Our right to enforce the agreement

If you have broken the agreement between you and us and we don't enforce our rights, or we delay in enforcing them, this will not prevent us from enforcing those or any other rights at a later date.

Taking legal action against us

Legal action under these terms and conditions can only be brought in the courts of the Republic of Lithuania (or in the courts of any EU Member State where you reside).
