

International Payment Fees

I. International transfers in the local currency of the recipient country

For international payments in the local currency of the recipient country, you will be charged a variable fee from the transfer value, subject to the minimum and maximum fees listed below. The variable fee depends on the base currency of your account and recipient currency. Senders making an international payment from a non-listed base currency will be charged an equivalent fee in their currency.

These fees apply from 17 December 2025, to see the previous fees, please click [here](#).

*These fees apply only to Bulgaria customers

** Deprecated as of 27 November 2025 due to EUR transition.

II. *International transfers in currencies other than the local currency of the recipient country*

For international transfers in currencies other than the local currency of the recipient country, you will be charged a flat minimum fee. This fee varies depending on the currency of the recipient as outlined in the table below. Senders making an international payment from a non-listed base currency will be charged an equivalent fee in their currency.
