## Joint Account fees

### Joint Account Card

Each Joint Account holder can order a standard card for your Joint Account.

#### **First Joint Account Card for each Joint Account Holder**

Free (but a delivery fee applies. You can see this fee that may apply [here](#)).

#### **Replacement Joint Account Cards**

€6 per replacement (and a delivery fee applies. You can see this fee that may apply [here](#)).

#### **Delivery Charge for Joint Account Card**

We'll show you what fee applies for delivery before you order your card in the Revolut app. The delivery charge may vary depending on where you are sending the card.

### Other fees and limits

When you use your Joint Account, the fees and limits for your individual retail account apply to any services where a specific fee or limit is not stated on this page. For example:

- You will pay the same fees on your Joint Account and your personal Revolut account for any payment, transaction, or conversion you make.
- Any conversion you make on your Joint Account will also count towards any fair usage or other limits you have on your individual retail account.
- Any fee ATM allowances you make on your Joint Account will also count towards the allowance you have on your individual retail account.

These fees and limits are specific to each individual Joint Account holder and are determined by their membership they have chosen. This means each Joint Account holder may have different fees and limits. For example, if you have a Metal membership and your partner has a Standard membership, you will have different fees and limits to your partner.

Although the fees and limits for your individual retail account apply to your Joint Account, any benefits of your retail account do not.

Regarding the rest of benefits, for example, any insurance cover, or other benefits you receive on your retail account activity do not apply to your Joint Account activity.
