This page consists of two Parts:

- Part I: Revolut Bank UAB Hungarian Branch Joint Account Fees.
- Part II: Revolut Bank UAB Joint Account Fees.

Revolut Bank UAB will operationalise its Hungarian branch in 2026, called **Revolut Bank UAB Hungarian Branch**. The migration of the Hungarian customer portfolio is part of this process, from Revolut Bank UAB (Lithuanian entity) to the local branch, Revolut Bank UAB Hungarian Branch.

The terms and conditions in Part I will apply from the moment of the migration of the existing Hungarian customers of Revolut Bank UAB (Lithuanian entity) to the local branch, Revolut Bank UAB Hungarian Branch. It will also apply to new customers onboarded directly to Revolut Bank UAB Hungarian Branch.

Until the completion of this migration, the current terms of Revolut Bank UAB (Lithuanian entity), which are provided in Part II of this document, will continue to apply:

- to Hungarian customers whose contractual relationship which is subject to these terms predates **17 March 2026**;
- as well as to those who will open a contractual relationship subject to these terms after **17 March 2026** with Revolut Bank UAB, and until the migration is completed.

Once the migration is completed, Part I will apply to said Hungarian customers as well (i.e. Part I will replace Part II from the moment of the migration).

This version, containing Parts I and II, was published on **17 March 2026.**

This document sets out the fee terms applicable to the Joint Account. This version of the Terms will be effective from **17 March 2026**, except where indicated otherwise. When you use our Joint Account product, the following fees and limits apply to any services where a specific fee or limit is stated on this page. To view this in the regulator's standardised format in accordance with COMMISSION IMPLEMENTING REGULATION (EU) 2018/34, please click here. It also applies to your Joint Account.

Other fees and limits

When you use your Joint Account, the fees and limits for your individual retail account apply to any services where a specific fee or limit is not stated on this page. For example:

- You will pay the same fees on your Joint Account and individual retail account for any payment, transaction, or conversion you make.
- Any conversion you make on your Joint Account will also count towards any fair usage or other limits you have on your individual retail account.
- Any fee ATM allowances you make on your Joint Account will also count towards the allowance you have on your individual retail account.

These fees and limits are specific to each individual Joint Account holder and are determined by their subscription plan they have chosen. This means each Joint Account holder may have different fees and limits. For example, if you have a Metal plan and your partner has a Standard plan, you will have different fees and limits to your partner.

Although the fees and limits for your individual retail account apply to your Joint Account, any benefits of your retail account do not. Except Metal cashback, Metal users can benefit from cashback on their eligible transactions. The cashback will be credited to their Cashback Metal pocket. To receive cashback, you need to be a Metal user and to make an eligible transaction with your Joint card or Personal card. You cannot receive cashback for a transaction made by the other account holder from the Joint Account, even if they have a Metal Subscription.

Regarding the rest of benefits, for example, any insurance cover, or other benefits you receive on your retail account activity do not apply to your Joint Account activity.
