Their registration details are as follows:
- Cowen Insurance Company Ltd - (Malta Company Registration Number C 55905), Level 3, Gasan Centre, Triq il-Merghat, Zone 1, Central Business District, Birkirkara, CBD 1020, Malta. Cowen Insurance Company Limited is authorised under the Insurance Business Act 1998 of the laws of Malta to carry out general business and is regulated by the Malta Financial Services Authority, Triq l-Imdina, Zone 1, Central Business District, Birkirkara, CBD 1010, Malta (Cowen).

We know that when you're looking forward to travelling the last thing you want to do is arrange insurance. This is why we at Revolut arrange travel insurance benefits for you. Revolut Bank has engaged Revolut Insurance Europe - an insurance brokerage company that carries out the activity of insurance mediation - to arrange the collective travel insurance on behalf of Revolut Bank. Revolut Insurance Europe has arranged the travel insurance from the third party Cowen through services provided by Cover Genius. For this arrangement, Revolut Bank pays a service fee to Revolut Insurance Europe.

Revolut Insurance Europe and Revolut Bank don't control or own Cowen or Cover Genius in any way, and Cowen and Cover Genius do not control or own us.

Whilst we have a contractual obligation to arrange your travel insurance with Cowen and Cover Genius, Revolut Insurance Europe acts on your and not the insurer's behalf, we will not provide you with advice or a recommendation on the suitability of the travel insurance benefits for you. Please make sure the benefits are suitable for you by reading the insurance product information document (IPID) and the Travel Insurance Policy Wording, paying attention to what is and isn't covered. If you are an Ultra member, please note that trip cancellation is covered separately under your trip & event cancellation cover as set out below.

You cannot cancel your insurance benefits without also cancelling your membership to the Metal or Ultra service.

To be eligible for travel insurance benefits you must be aged over 18. More detailed information about your insurance benefits is provided in the Policy Wording and IPID. Please read them carefully. There is a copy of these documents in the Revolut app. The Policy Wording also includes other information relevant to you, such as the rights of the insurer where you do not follow the terms set out in the Conditions for Beneficiaries, claims information, information on how the insurer processes your personal data, applicable law and similar.

The continuing provision, scope and terms of the travel insurance benefits may be changed or cancelled by us or by the Travel Insurer at any time. Wherever possible, we will give you advance notice of any detrimental changes to or cancellation of the insurance benefits.

If you don't meet the conditions for having the insurance benefits, this doesn't change the membership you pay for the Metal or Ultra membership.

11. Membership term and payment

We offer monthly and annual memberships.

The annual membership has an indefinite term.

The monthly membership has an indefinite term.

You can pay your membership fee in monthly instalments or pay the full membership once a year. These fees are set out in our [Fees Page](#).

When you become a paid member we will ask you to pay the membership from a card you've registered with us (your stored card). We will take the membership fees from that stored card while you remain a paid member.

If we can't take payment from your Personal account balance, we'll try to take the payment from your stored card but if we're unable to charge the amount to your stored card for any reason (for example, because it has expired), we will ask you to register another card which will become your new stored card. If you don't do this within seven days, we'll take the membership from your account. We may also take legal steps to collect the payment. If we do, you may have to pay our reasonable costs of doing so.

You may be responsible for paying any taxes or costs that we are not responsible for collecting from you.

Unfortunately, if you do not pay the membership within 30 days of it becoming due, we may cancel your membership and downgrade you to a Standard membership.

12. Fees for downgrading your Paid Membership

You may end your Paid Membership at any time (we call this a "**downgrade**").

However, you might be subject to a notice period, which will vary as explained below.

During this period you'll still be able to benefit from the benefits you get from your membership. After then, you'll become a Standard member again (a personal account holder who does not pay a membership fee for a Paid Membership).

The fees for ending or downgrading your membership are set out below.

If you downgrade within 14 days

If you pay your membership in monthly instalments or if you pay the full membership once a year, we'll give you a full refund of your membership. If we sent a Plus Card or Premium Card to you, we'll charge you the delivery fee, and may deactivate the card. If you ordered a Metal card, we'll charge you EUR 40 for the card (or the equivalent in the currency of your Revolut account), plus any delivery fee. If you ordered an Ultra card, we'll charge you EUR 50 for the card (or the equivalent in the currency of your Revolut account), plus any delivery fee.

If you downgrade from an Ultra membership and have used data on your eSIM, we will charge you for the data used proportionately to the price of an equivalent paid eSIM Data Plan. You will also no longer have access to your Ultra eSIM Data Plan following the downgrade. If you downgrade from an Ultra membership and used Lounge passes, we will charge you per Lounge entry.

If you downgrade after 14 days but within 6 months and you pay your membership in monthly instalments

If you pay your membership in monthly instalments and you tell us you'd like to end or downgrade your membership, we won't make any refund and you'll have to respect a notice period of one (1) month. The notice period commences the day after you end your current billing cycle (the day of the month when you subscribed to the membership).

If you ordered a Metal or Ultra card, we will not charge you for the card or any delivery fee. Also, we will not charge you any fee for used data on your eSIM and/or Lounge entries.

If you downgrade after more than 6 months and you pay your membership in monthly instalments

If you pay your membership in monthly instalments and you tell us you'd like to end or downgrade your membership, we won't make any refund and you'll have to wait for the end of the current billing cycle (starting on the day of the month when you subscribed to the membership) for the downgrade to take effect.

If you ordered a Metal or Ultra card, we will not charge you for the card or any delivery fee. Also, we will not charge you any fee for used data on your eSIM and/or Lounge entries.

If you downgrade after 14 days but within 1 year and you pay the full membership once a year

If you decide to downgrade or terminate your membership and you pay the full membership once a year, we'll give you a partial refund of your membership based on your usage in your current billing cycle, and you'll have to respect a notice period of one (1) month. Please note that if you downgrade during your annual billing cycle you cannot benefit from the discounted annual rate. Therefore, when evaluating your usage for calculating your refund entitlement we base the calculation on the monthly price.

The notice period commences the day after you end your current monthly billing cycle (the day of the month when you subscribed to the membership). If you ordered a Metal or Ultra card, we will not charge you for the card or any delivery fee. Also, we will not charge you any fee for used data on your eSIM and/or Lounge entries.

If you downgrade after 1 year and you pay the full membership once a year

If you decide to downgrade or terminate your membership and you pay the full membership once a year, we'll give you a partial refund of your membership based on your usage in your current billing cycle, and you'll have to wait for the end of the current billing cycle (starting on the day of the month when you subscribed to the

membership) for the downgrade to take effect. Please note that if you downgrade during your annual billing cycle you cannot benefit from the discounted annual rate. Therefore, when evaluating your usage for calculating your refund entitlement we base the calculation on the monthly price.

If you ordered a Metal or Ultra card, we will not charge you for the card or any delivery fee. Also, we will not charge you any fee for used data on your eSIM and/or Lounge entries.

13. When can we end your Paid Membership?

We can suspend access to your account and end your Paid Membership immediately if:

- we suspect you are behaving fraudulently or otherwise criminally;
- you haven't given us the information we need, or we have good reason to believe that the information you have given us is false;
- you have broken these terms and conditions in a serious or persistent way;
- you owe us money and, despite us asking you to pay us, you have not done so within 30 days of it becoming due;
- you've been declared bankrupt; or
- we must do so under any law, regulation, court order or ombudsman's instructions.

We may also end your membership for other reasons, but we will give you at least two months' notice through the app, by text message or in an email.

14. Legal bits and pieces

We can change these terms

We may occasionally change these terms.

If this change impacts the fees applicable to your Personal account or how your Personal account is opened, closed or functions, we'll always provide you with the newest version of the terms by e-mail at least 2 months before the change is effective. In this case, we'll assume you're happy with this change unless you tell us that you want to close your account before it comes into effect.

If we make any other change, we will either:

- provide you with the newest version of the terms by e-mail at least 1 month before the change is effective and assume you're happy with this change unless you tell us that you want to close your account before it comes into effect; or

- if the change is not detrimental to you and if it does not alter the price, duration or characteristics of the services we provide to you, we may make the change immediately. The newest version of these terms will be provided to you by e-mail when the change is effective.

If we give you notice of a change, we'll assume you're happy with the change unless you tell us that you want to close your account before the change comes into effect.

11. Membership term and payment

We offer monthly and annual memberships.

The annual membership has an indefinite term.

The monthly membership has an indefinite term.

You can pay your membership fee in monthly instalments or pay the full membership once a year. These fees are set out in our [Fees Page](#).

When you become a paid member we will ask you to pay the membership from a card you've registered with us (your stored card). We will take the membership fees from that stored card while you remain a paid member.

If we can't take payment from your Personal account balance, we'll try to take the payment from your stored card but if we're unable to charge the amount to your stored card for any reason (for example, because it has expired), we will ask you to register another card which will become your new stored card. If you don't do this within seven days, we'll take the membership from your account. We may also take legal steps to collect the payment. If we do, you may have to pay our reasonable costs of doing so.

You may be responsible for paying any taxes or costs that we are not responsible for collecting from you.

Unfortunately, if you do not pay the membership within 30 days of it becoming due, we may cancel your membership and downgrade you to a Standard membership.

12. Fees for downgrading your Paid Membership

You may end your Paid Membership at any time (we call this a "**downgrade**").

However, you might be subject to a notice period, which will vary as explained below.

During this period you'll still be able to benefit from the benefits you get from your membership. After then, you'll become a Standard member again (a personal account holder who does not pay a membership fee for a Paid Membership).

The fees for ending or downgrading your membership are set out below.

If you downgrade within 14 days

If you pay your membership in monthly instalments or if you pay the full membership once a year, we'll give you a full refund of your membership. If we sent a Plus Card or Premium Card to you, we'll charge you the delivery fee, and may deactivate the card. If you ordered a Metal card, we'll charge you EUR 40 for the card (or the equivalent in the currency of your Revolut account), plus any delivery fee. If you ordered an Ultra card, we'll charge you EUR 50 for the card (or the equivalent in the currency of your Revolut account), plus any delivery fee.

If you downgrade from an Ultra membership and have used data on your eSIM, we will charge you for the data used proportionately to the price of an equivalent paid eSIM Data Plan. You will also no longer have access to your Ultra eSIM Data Plan following the downgrade. If you downgrade from an Ultra membership and used Lounge passes, we will charge you per Lounge entry.

If you downgrade after 14 days but within 6 months and you pay your membership in monthly instalments

If you pay your membership in monthly instalments and you tell us you'd like to end or downgrade your membership, we won't make any refund and you'll have to respect a notice period of one (1) month. The notice period commences the day after you end your current billing cycle (the day of the month when you subscribed to the membership).

If you ordered a Metal or Ultra card, we will not charge you for the card or any delivery fee. Also, we will not charge you any fee for used data on your eSIM and/or Lounge entries.

If you downgrade after more than 6 months and you pay your membership in monthly instalments

If you pay your membership in monthly instalments and you tell us you'd like to end or downgrade your membership, we won't make any refund and you'll have to wait for the end of the current billing cycle (starting on the day of the month when you subscribed to the membership) for the downgrade to take effect.

If you ordered a Metal or Ultra card, we will not charge you for the card or any delivery fee. Also, we will not charge you any fee for used data on your eSIM and/or Lounge entries.

If you downgrade after 14 days but within 1 year and you pay the full membership once a year

If you decide to downgrade or terminate your membership and you pay the full membership once a year, we'll give you a partial refund of your membership based on your usage in your current billing cycle, and you'll have to respect a notice period of one (1) month. Please note that if you downgrade during your annual billing cycle you cannot benefit from the discounted annual rate. Therefore, when evaluating your usage for calculating your refund entitlement we base the calculation on the monthly price.

The notice period commences the day after you end your current monthly billing cycle (the day of the month when you subscribed to the membership). If you ordered a Metal or Ultra card, we will not charge you for the card or any delivery fee. Also, we will not charge you any fee for used data on your eSIM and/or Lounge entries.

If you downgrade after 1 year and you pay the full membership once a year

If you decide to downgrade or terminate your membership and you pay the full membership once a year, we'll give you a partial refund of your membership based on your usage in your current billing cycle, and you'll have to wait for the end of the current billing cycle (starting on the day of the month when you subscribed to the

membership) for the downgrade to take effect. Please note that if you downgrade during your annual billing cycle you cannot benefit from the discounted annual rate. Therefore, when evaluating your usage for calculating your refund entitlement we base the calculation on the monthly price.

If you ordered a Metal or Ultra card, we will not charge you for the card or any delivery fee. Also, we will not charge you any fee for used data on your eSIM and/or Lounge entries.

13. When can we end your Paid Membership?

We can suspend access to your account and end your Paid Membership immediately if:

- we suspect you are behaving fraudulently or otherwise criminally;
- you haven't given us the information we need, or we have good reason to believe that the information you have given us is false;
- you have broken these terms and conditions in a serious or persistent way;
- you owe us money and, despite us asking you to pay us, you have not done so within 30 days of it becoming due;
- you've been declared bankrupt; or
- we must do so under any law, regulation, court order or ombudsman's instructions.

We may also end your membership for other reasons, but we will give you at least two months' notice through the app, by text message or in an email.

14. Legal bits and pieces

We can change these terms

We may occasionally change these terms.

If this change impacts the fees applicable to your Personal account or how your Personal account is opened, closed or functions, we'll always provide you with the newest version of the terms by e-mail at least 2 months before the change is effective. In this case, we'll assume you're happy with this change unless you tell us that you want to close your account before it comes into effect.

If we make any other change, we will either:

If we give you notice of a change, we'll assume you're happy with the change unless you tell us that you want to close your account before the change comes into effect.
