

1. What is this promotion about?

- **What:** Invite a contact to a Revolut Paid Plan. When they accept, they get a Trial Period – a free trial or a time-limited discount on the Paid Plan (the free trial or discount depends on who the plan is offered to).
- **Who:** Existing Revolut Personal customers on the Plus, Premium, Metal or Ultra plan (each a **Sender**) can invite an eligible contact (each a **Receiver**) to whom Revolut has made the Invitation feature available.
- **When:** The Promotion runs during defined **Campaign Windows**, each lasting approximately three (3) weeks. The start and end dates of each Campaign Window are shown in the Revolut app. Invitations must be sent during a Campaign Window.

These **Promotion Terms** set out the rules that apply to this promotion. You must comply with these Promotion Terms as well as the [Personal Terms](#) that apply to your Revolut Personal account. Other terms may also apply to you (for example, the [Paid Plan terms](#) and [Fees pages](#)).

In these Promotion Terms, the following definitions apply:

"Invitation" means an invitation to a Paid Plan sent by a Sender to a Receiver under these Terms;

"Trial Period" means the free or discounted period we offer to the Receiver when they accept an Invitation, as described in section [4];

"Eligible Sender" means a person (the **Sender**) who meets the eligibility criteria set out in section [2];

"Eligible Receiver" means a person (the **Receiver**) who meets the eligibility criteria set out in section [3];

"Campaign Window" means a defined period (approximately three (3) weeks) during which Invitations can be sent, as further described in section [2]. The overall initiative may run across several Campaign Windows (the **"Promotion"**).

"Paid Plan" – means Revolut plans that have a monthly fee. They give you extra services and features compared with a Revolut Standard plan. They are currently named Plus, Premium, Metal and Ultra. See the [Paid Plan terms](#) and [Fees pages](#) for more detail.

2. Eligibility and required steps for Senders

To be eligible for this promotion, the Sender **must**:

- be an existing Revolut Personal customer with an active, unrestricted account,

- have received a Promotion Invitation, and

You must be on either the Plus, Premium, Metal or Ultra plan at the time of sending an invite.

The required steps for Senders are:

1. Send an Invitation through the Promotion homepage in the app, or through the link in our follow-up email. You can only invite a Receiver to the plan that you are on;
2. Be the only sender of the message. Only contact people you know and have permission to contact.

The Sender **must not**:

- Send unsolicited invitations.
- (Attempt to) mislead anyone in connection with this promotion.

Each Eligible Sender may send up to five (5) Invitations per Campaign Window.

3. Eligibility and required steps for Receivers

To be eligible for this promotion, the Receiver **must**:

- be a Revolut customer with a Personal account to whom Revolut has made the Invitation feature available;
- be on a lower tier plan than the Sender. Our plans are ordered from Standard (free) up to Plus, Premium, Metal and then Ultra. A "lower tier plan" means a plan below the Sender's current plan;
- have their mobile number saved in the Sender's contacts;
- click on the Invitation Link that the Sender has sent them.

4. What offers are available under this Promotion?

The offer depends on the Paid Plan the Receiver is invited to join. It can range from a free trial of the Paid Plan to a discount for a limited time, for example 1 month. For a free Trial Period, the Receiver pays no subscription fee during the Trial Period.

For a discounted Trial Period, we charge the discounted subscription fee upfront. We show the Receiver the following clearly before they accept the Invitation: (1) the length of the Trial Period; (2) any discounted fee; and (3) the regular monthly subscription fee that applies after the Trial Period.

After the Trial Period ends, we charge the Receiver the regular monthly subscription fee for the Paid Plan unless they cancel their subscription. When the Receiver accepts the Invitation, we set their billing to monthly by default. This means that normal fees for downgrading your Paid Plan subscription will apply (see the “**Fees for downgrading your Paid Plan subscription**” section of the [Paid Plan terms](#) for more information).

Terms for the free trial can be found [here](#).

Terms for the discounted plan can be found [here](#).

5. How does a Receiver accept an Invitation?

The Eligible Receiver will receive the Invitation in their Revolut app. The Receiver must accept the Invitation within fourteen (14) days of receiving it. If the Receiver does not accept within this period, the Invitation will expire and cannot be reactivated.

When the Receiver accepts the Invitation, they join the Paid Plan and begin their Trial Period. During the Trial Period, we do not charge the Receiver the full Paid Plan subscription fees. The offer depends on the Paid Plan the Receiver is invited to join.

After the Trial Period ends, the subscription continues on the chosen Paid Plan with monthly billing. This does not apply if the Receiver cancels their Paid Plan subscription before the Trial Period ends. Normal cancellation and billing rules apply (see the [Paid Free Trial Terms](#), the [Discount Terms](#)).

6. What happens if a Receiver receives multiple invites?

If a Receiver has received Invitations from multiple Senders, they can only accept one Invitation at any given time. When a Receiver accepts an Invitation, any other pending Invitations are automatically cancelled. A Receiver who has accepted an Invitation cannot accept any further Invitation for the same plan tier.

7. How can the Sender cancel an Invitation?

The Sender can cancel an Invitation at any time before the Receiver has claimed it by pressing the cancel button in the Revolut chat with the Receiver.

8. Does the Invitation expire?

The Receiver will have 14 days from the date on which the Receiver receives the Invitation to claim it. If the Receiver does not claim the Paid Plan Invitation within this

time, the offer no longer exists.
