What is the Promotion?

The Promotion is an opportunity for new and existing customers to upgrade to an annual Revolut Metal Subscription Plan at a discounted rate of **\$130** which is offered to customers through the Revolut app (the “**Discount Offer**”). The Discount Offer will only apply for a period of one year, after which time normal billing rates apply as set out in the Fees and Charges section.

For the avoidance of doubt, the Discount Offer cannot be applied to Revolut Metal Subscription Plan payable by monthly instalments.

Who is eligible to participate in the Promotion?

In order to participate in the Promotion you must be an Existing Eligible Customer or a New Eligible Customer.

A “**New Eligible Customer**” is defined as a customer that is one of the first 250 new customers during the New Customer Promotion Period who:

- downloads the Revolut app;
- opens a new Revolut account;
- within 72 hours of opening the new Revolut account, upgrades to a Revolut Metal subscription using the Discount Offer which is visible to them within the Revolut app;
- passes Revolut 'Know Your Customer' checks and is onboarded; and
- has not previously closed a Revolut account or had an account become suspended or restricted.

An **"Existing Eligible Customer"** is defined as a customer that has, during the Existing Customer Promotion Period:

- personally received communications from Revolut inviting you to participate in the Promotion (for example, through an email or push notification in the Revolut app);
- an active Standard or Premium account (not suspended or restricted), and
- upgrades to a Revolut Metal subscription using the Discount Offer which is visible to them within the Revolut app.

What happens if I cancel or downgrade my plan?

The Discount Offer applies to an annual Revolut Metal Subscription Plan only. Annual subscription plans have a contract term of 12 months. You may cancel or downgrade the annual subscription plan early, but depending on the remaining subscription term, fees and charges may apply as set out in the [Fees and Charges Section](#).

What else should I know?

When the first 250 New Eligible Customers have claimed their Discount Offer the New Eligible Customer Promotion Period will end and the Discount Offer will no longer be accessible within the Revolut app.
