

Revolut x Financer Promotion

What is this Promotion about?

As part of the Revolut x Financer Promotion ("**the Promotion**"), Revolut Payments UAB is offering Financer users the opportunity to sign up to Revolut for the first time and receive: 3 months of the Premium subscription plan for free (the "**Free Trial**") and €10 that you can use for any physical or virtual Revolut card payments. You will have access to €10 after you make an initial transaction using your physical or virtual Revolut card).

In order to receive your Free Trial and €10 you must sign up to Revolut through a unique link from Financer between 00:00 GMT on February 1 2022 and 23:59 GMT+1 on March 31 2022 (the "**Promotion Period**").

These terms (the "**Promotion Terms**") set out the rules that apply to this Promotion, and you must comply with these Promotion Terms and also the terms that apply to your Revolut Personal account at all times when participating in this Promotion.

What do I need to do to take part in the Promotion?

To be eligible for this Promotion, you must:

- Live at a residential address in Germany; and
- Either receive marketing directly from Financer about this Promotion or see the Promotion marketed on the Financer's website so you can follow the below steps to benefit from the Promotion. You will only receive an email or push notification from Financer if you have already provided your personal data to Financer and are happy for Financer to send marketing to you.

You will also need to complete the following steps:

- Click on the unique link on the Financer website - this link will redirect you to Revolut's website where you will need to provide your phone number. Once you have provided your phone number, you will be directed to the sign up flow for a Revolut Personal account and will be offered the Free Trial;
- Follow the steps for opening a Revolut Personal account with a Premium Plan and complete our Know Your Customer ("**KYC**") checks before the end of the Promotion Period. If you already have a Revolut Ltd Personal account you won't be eligible for this Promotion;
- Be successfully onboarded to Revolut (this means you have to pass KYC) with a registered address in Germany, with no restrictions on your account before the end of the Promotion Period;
- Read and agree with these Promotion Terms;
- You must complete the above steps by the end of the Promotion Period in order to receive your Free Trial and the €10.

How do I start my Free Trial?

You can start your Free Trial and take part in the Promotion if you meet the eligibility criteria and have completed the steps outlined in **“What do I need to do to take part in this Promotion?”**. To start your Free Trial, you will need to complete the steps to upgrade your Revolut Personal account to the Premium Plan within 72 hours of your Revolut Personal account being successfully opened, even if the 72 hour period expires after the end of the Promotion Period. This means your Revolut Personal account must be successfully opened before the end of the Promotion Period but it doesn't matter if you don't upgrade to Premium until after the end of the Promotion Period; you'll still be able to start your Free Trial as long as you upgrade before the 72 hour cut off.

Just so you know, the terms and conditions for your Premium Plan (see [Plus, Premium and Metal Terms](#)) will apply to you during your Free Trial. We will not charge you for the period of time included in your Free Trial. We'll tell you in the Promotion dashboard how long you'll receive your selected Premium Plan for free so you're aware before you sign up - you'll also be able to see this information in these Promotion Terms.

On the expiry of the Free Trial, normal cancellation and billing rules will apply and we'll start taking payments for your subscription either monthly or yearly depending on what you agreed to when you signed up for the paid plan. If you order a card during your Free Trial period and then cancel your Premium subscription plan before the end or at the end of your Free Trial period, you will have to pay us back for the card. This is to cover our costs. For this reason, it might make sense to hold off on ordering the card until you decide if you want to keep the plan. If your Free Trial is for more than 14 days, then you have the right to cancel your selected subscription within the Free Trial (your **“cooling off period”**) but after the Free Trial period ends, normal cancellation rules will apply.

Make sure you remember that our paid plans are all on 12 month terms whether you choose to pay-monthly or pay-annually. You can leave these paid plans early, but fees may apply if you do. See the **“Fees for downgrading your Plus, Premium or Metal subscription”** section of the [Plus, Premium and Metal Terms](#) for more information.

Ordering a Premium card

If you cancel your new subscription within the cooling off period but have ordered a Premium card, you'll have to pay us back for the card delivery fee. You may also have to pay a card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel your subscription within your cooling off period. Please refer to the [Premium fees page](#) to see the fees associated with card delivery.

How do I get my cash reward?

If you meet the eligibility criteria and complete the steps outlined in **“What do I need to do to take part in this Promotion?”**, after you make your first virtual or physical Revolut card payment on Financer's website and make an initial payment transaction you will receive €10 credited to your Revolut account (this will be your Cash Reward Offer). It doesn't matter whether your first Revolut card payment is with Financer or another merchant as long as you make your first transaction before the end of the Promotion Period, you'll receive €10 of cash reward regardless of the amount of your first transaction. We'll credit your account with the relevant cash reward within 3 days of your initial transaction being completed .
