

Preferential Period Extension - Lithuania

What is this promotion about?

Revolut Bank UAB (the “**Revolut Bank**”) is looking to reward customers who have applied for and concluded a Credit Limit Agreement. Customers who have applied for and concluded a Credit Limit Agreement with Revolut Bank UAB within the Promotional Period will be eligible to spend with 0% interest for a maximum of 3 months (the “**Preferential Period Extension**”).

Who is eligible for the Promotion?

The Promotion is open to Lithuanian citizens, eligible for applying for a credit card with Revolut Bank UAB via their Revolut App, from the 1st of July 2021 and concluding a Credit Limit Agreement with Revolut Bank during the Promotional Period.

How long will this Promotion last?

The Promotional Period is from the 1st of July 2021. We can cancel this Promotion, or change these terms and conditions, at any time without further notice. Customers who applied and concluded a Credit Limit Agreement within the Promotional Period retain the right to Preferential Period Extension even if the Promotion is cancelled.

What do we mean by “Preferential Period Extension”?

By Preferential Period Extension we mean the period during which you spend with 0% interest for a maximum of 3 months, as long as you make at least the minimum payment each month. The promotion applies only to purchases made using the credit card issued by Revolut Bank. The promotion does not apply to the ATM withdrawals and transfers which accrue interest from the day of transaction.

What happens when the “Preferential Period Extension” ends?

You will receive a grace period of one calendar month during which you must pay the statement balance in full by the due date. Once you pay this amount, you will receive a grace period next month. If you pay less than the amount the statement balance indicates, you will not receive a grace period for the following billing cycle.

How long does my Preferential Period last?

Your Preferential Period starts on the date of conclusion of a Credit Limit Agreement and lasts for the following three billing cycles.

Remember that during the Promotional Period you should pay the minimum balance by the due date. If you do not make the minimum payment by the due date, the promotion will end, and your regular interest rate will be applied to your balance. You will also not receive a grace period for the following billing cycle.

Free Trial of any paid plan for selected standard users

What is this promotion about?

We are inviting **selected Revolut Ltd and Revolut Payments UAB Standard customers** to try one of our paid Personal subscription plans (Plus, Premium or Metal; **"Paid Plan"**) for free for a period of time as agreed by us (**"Free Trial Promotion"**). Selected customers will be able to access this Free Trial Promotion by clicking through the relevant screens in the Free Trial Promotion dashboard in their Revolut app.

Who is eligible for the Free Trial Promotion?

The Free Trial Promotion is open to selected Revolut Ltd and Revolut Payment UAB customers on a Standard plan who have passed our Know Your Customer requirements and have been successfully onboarded as Revolut customers. Customers who are selected will be shown the Free Trial Promotion dashboard in their Revolut app.

This Free Trial Promotion runs for a period of time at Revolut's discretion (the **"Promotion Period"**).

How do I start my Free Trial?

Starting your Free Trial is easy. As long as you've been selected and are able to see the Free Trial Promotion dashboard in your Revolut app, all you need to do is sign up to a Paid Plan during the Promotion Period and meet the criteria set out in these terms and conditions.

Just so you know, the terms and conditions for your selected Paid Plan (e.g. the terms and conditions that apply to Metal if you choose to trial Metal) will apply to you during your Free Trial. We will not charge you for the period of time included in your Free Trial. We'll tell you in the Free Trial Promotion dashboard how long you'll receive your selected Paid Plan for free, whether it's for a month or shorter or longer than that so you're aware before you sign up. After your Free Trial ends, by default you will remain on your selected Paid Plan unless you tell us otherwise, and normal billing (whether monthly or annually) will apply.

If you order a card during your Free Trial period and then cancel your Paid Plan before the end or at the end of your Free Trial period, you will have to pay us back for the card. This is to cover our costs. For this reason, it might make sense to hold off on ordering the card until you decide if you want to keep the plan.

If your Free Trial is for less than 14 days (including weekdays and weekend days), then you'll have 14 days from the day your Free Trial starts to cancel your subscription (we call this the "cooling off period") but after that point normal cancellation rules will apply. If your Free Trial is for more than 14 days, then you have the right to cancel your selected subscription within the Free Trial (your "cooling off period") but after the Free Trial period ends, normal cancellation rules will apply. Make sure you remember that our Paid Plans are all on 12 month terms whether you choose to pay-monthly or pay-annually. You can leave these Paid Plans early, but fees may apply if you do. See [cancelling your plan](#) for more information.

Ordering a Metal card

If you cancel your new subscription within the cooling off period but have ordered a Metal or Premium card, you'll have to pay us back for the card delivery fee. If the card you ordered was a Metal card, you'll also have to pay us for the Metal card itself. You may also have to pay a card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel your subscription within your cooling off period. Please refer to the [Metal fees page](#) to see the cost of the Metal card in your market, and fees associated with card delivery.

Ordering a Premium card

If you cancel your new subscription within the cooling off period but have ordered a Premium or Standard card, you'll also have to pay us back for the card delivery fee. You may also have to pay a card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel your subscription within your cooling off period. Please refer to the [Premium fees page](#) to see the fees associated with card delivery.

Ordering a Plus card

If you cancel your new subscription within the cooling off period but have ordered a Plus or Standard card, you'll also have to pay us back for the card delivery fee. You may also have to pay a card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel your subscription within your cooling off period. Please refer to the [Plus fees page](#) to see the fees associated with card delivery.

Revolut Ltd, Revolut Payments UAB, and Revolut Technologies Inc. customers will be invited to post a creative photograph of their Revolut rainbow card on their social media profile (on Instagram or Twitter) to promote the card and raise awareness of Pride Month.

If you already have a Revolut rainbow card, you can submit a photograph of that card. If you don't have a Revolut rainbow card yet, or you want another one, you'll be able to order a Revolut rainbow card in the app once you've made one donation transaction worth at least £1 (or currency equivalent) to **ILGA-Europe** through the Revolut app for Revolut Ltd and Revolut Payments UAB customers. The donation needs to be at least £1 (or currency equivalent) to allow you to order a Revolut rainbow card - two transactions totalling £1 will not allow you to place an order. ILGA-Europe is an independent, international non-governmental organisation that advocates for human rights and equality for Lesbian, Gay, Bi-sexual, Transgender and Intersex people in Europe and Central Asia. donate €1 to ILGA-Europe, up to a total of £5,000. For Revolut Technologies Inc customers in the U.S., you can give a minimum of \$5 to OutRight within the Revolut app to get your very own rainbow card.
