Revolut is looking to reward new and existing Revolut credit card holders, who meet conditions to be a participant of the promotion.

We can cancel this promotion or change these terms and conditions, at any time without notice.

Please read these promotional terms and conditions carefully.

Benefits that you gain when you are a participant of the promotion

Under the promotion we make available an additional benefit for eligible customers called "cashback".

What is a cashback?

When you make a purchase with your Revolut credit card, Revolut Payments UAB will credit your cashback balance with an amount of money equivalent to a percentage of your payment. We call this a cashback. The cashback amounts to the percentage of any payment with your Revolut credit card. The exact rate of your cashback is visible in the Revolut app in your credit card management screen. We may change the percentage of the cashback for any reason, including the country you make the payment in or the merchant you make the payment to. You will be informed about all changes of the percentage of the cashback by email or in the Revolut app.

There is a no cap on the maximum amount of cashback that can be earned.

Remember that the cashback refers only to completed purchases with Revolut credit card using the Credit Limit product provided by Revolut Bank UAB.

Cashback is earned on credit card purchases and rounded down to the nearest full amount.

Cashback will also be calculated on cleared or non-pending purchases only.

After the end of this promotion the cashback balance will remain active, until it is transferred to your Credit Limit balance, either manually by you using the "Collect" button in the Revolut mobile app or automatically disbursed by us on the 1st day of the following calendar month. If you decide to close your Revolut credit card account, you have two options: you can have your

cashback earned paid towards the outstanding Credit Limit balance and reduce the amount you need to repay to be able to close your account. If your outstanding is already zero, you can have your cashback paid towards your main Revolut account.

Your cashback balance will be stored by Revolut Payments UAB. The cashback that you earned can be viewed in the Revolut app in your credit card management screen or in your monthly Revolut account statement. By participating in this promotion, you acknowledge and agree that for the purpose of this promotion Revolut Payments UAB will share with Revolut Bank UAB data about your cashback balance.

Revolut Payments UAB will transfer your cashback balance to your Credit Limit balance on a monthly basis together with other payments under Credit Limit Agreement. Also, you can use the "collect" button in the Revolut app and then select the amount you want to collect to your Credit Limit balance, as long as the amount can be rounded to the nearest cent, cashback can be collected any time. Revolut Payments UAB will transfer collected cashback to the Credit Limit balance. By participating in this promotion, you agree and authorize Revolut Payments UAB to transfer accumulated cashback to your Credit limit balance under Credit Limit Agreement concluded with Revolut Bank UAB.

By participating in this promotion, you acknowledge and agree that cashback is provided by Revolut Payments UAB and that for the purpose of this promotion Revolut Bank UAB will share with Revolut Payments UAB data about your payment amounts, payment terms, transactions and other information necessary for Revolut Payments UAB to carry out this promotion.

Cashback cannot be used towards minimum payment (the minimum payment to be paid each month under the Credit Limit Agreement) to any outstanding Credit Limit balances. If you are in arrears, you can still earn cashback. However, you cannot redeem cashback from your cash back balance until you clear your arrear and are in good standing again.

Sometimes we recover the cashback from you if:

- the payment that earned the cashback is refunded to you;
- you earned the cashback fraudulently; or
- you did not comply with these terms and conditions in order to get the cashback.

We will recover the amount of cashback by taking it out of your cashback balance. We will consider the recovery to be done with your consent and the payment to be authorised by you. If we cannot recover the amount of the cashback from your cashback balance, you will still owe us the relevant amount. We may then recover the amount from a stored card or exercise our right of set-off. We may also take legal steps to recover the amount you owe us. If we do, you may have to pay our reasonable costs of doing so.

You can read more about how we can recover amounts that you owe us in the Section 28 of the Personal Terms.

Payments that won't earn a cashback

Remember that the cash back refers only to completed purchases with your Revolut credit card, using the Credit Limit under the Credit Limit Agreement, so only when you buy things with Revolut credit card and use the Credit Limit. Cash back does not apply to the transfers, payments (other than purchase transactions) and ATM withdrawals.

We can't give you cashback when doing so would break any law or regulation. You will be informed about such cases in the Revolut app.

Legal bits and pieces

Free Trial of any paid plan for selected standard users

What is this promotion about?

We are inviting **selected Revolut Ltd and Revolut Payments UAB Standard customers** to try one of our paid Personal subscription plans (Plus, Premium or Metal; “**Paid Plan**”) for free for a period of time as agreed by us (“**Free Trial Promotion**”). Selected customers will be able to access this Free Trial Promotion by clicking through the relevant screens in the Free Trial Promotion dashboard in their Revolut app.

Who is eligible for the Free Trial Promotion?

The Free Trial Promotion is open to selected Revolut Ltd and Revolut Payment UAB customers on a Standard plan who have passed our Know Your Customer requirements and have been successfully onboarded as Revolut customers. Customers who are selected will be shown the Free Trial Promotion dashboard in their Revolut app.

This Free Trial Promotion runs for a period of time at Revolut's discretion (the "**Promotion Period**").

How do I start my Free Trial?

Starting your Free Trial is easy. As long as you've been selected and are able to see the Free Trial Promotion dashboard in your Revolut app, all you need to do is sign up to a Paid Plan during the Promotion Period and meet the criteria set out in these terms and conditions.

Just so you know, the terms and conditions for your selected Paid Plan (e.g. the terms and conditions that apply to Metal if you choose to trial Metal) will apply to you during your Free Trial. We will not charge you for the period of time included in your Free Trial. We'll tell you in the Free Trial Promotion dashboard how long you'll receive your selected Paid Plan for free, whether it's for a month or shorter or longer than that so you're aware before you sign up. After your Free Trial ends, by default you will remain on your selected Paid Plan unless you tell us otherwise, and normal billing (whether monthly or annually) will apply.

If you order a card during your Free Trial period and then cancel your Paid Plan before the end or at the end of your Free Trial period, you will have to pay us back for the card. This is to cover our costs. For this reason, it might make sense to hold off on ordering the card until you decide if you want to keep the plan.

If your Free Trial is for less than 14 days (including weekdays and weekend days), then you'll have 14 days from the day your Free Trial starts to cancel your subscription (we call this the "cooling off period") but after that point normal cancellation rules will apply. If your Free Trial is for more than 14 days, then you have the right to cancel your selected subscription within the Free Trial (your "cooling off period") but after the Free Trial period ends, normal cancellation rules will apply. Make sure you remember that our Paid Plans are all on 12 month terms whether you choose to pay-monthly or pay-annually. You can leave these Paid Plans early, but fees may apply if you do. See [cancelling your plan](#) for more information.

Ordering a Metal card

If you cancel your new subscription within the cooling off period but have ordered a Metal or Premium card, you'll have to pay us back for the card delivery fee. If the card you ordered was a Metal card, you'll also have to pay us for the Metal card itself. You may also have to pay a card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel your subscription within your cooling off period. Please refer to the [Metal fees page](#) to see the cost of the Metal card in your market, and fees associated with card delivery.

Ordering a Premium card

If you cancel your new subscription within the cooling off period but have ordered a Premium or Standard card, you'll also have to pay us back for the card delivery fee. You may also have to

Revolut Pride Customer Cash Prize Promo T&Cs

To celebrate Pride Month, Revolut is launching a cash prize promo ("**Revolut Pride Cash Prize Promo**"). Revolut Ltd, Revolut Payments UAB, and Revolut Technologies Inc. customers will be invited to post a creative photograph of their Revolut rainbow card on their social media profile (on Instagram or Twitter) to promote the card and raise awareness of Pride Month.

If you already have a Revolut rainbow card, you can submit a photograph of that card. If you don't have a Revolut rainbow card yet, or you want another one, you'll be able to order a Revolut rainbow card in the app once you've made one donation transaction worth at least £1 (or currency equivalent) to **ILGA-Europe** through the Revolut app for Revolut Ltd and Revolut Payments UAB customers. The donation needs to be at least £1 (or currency equivalent) to allow you to order a Revolut rainbow card - two transactions totalling £1 will not allow you to place an order. ILGA-Europe is an independent, international non-governmental organisation that advocates for human rights and equality for Lesbian, Gay, Bi-sexual, Transgender and Intersex people in Europe and Central Asia. You can read more about what they do [here](#). For each Revolut rainbow card ordered as part of the Revolut Pride Cash Prize Promotion, we'll donate €1 to ILGA-Europe, up to a total of £5,000. For Revolut Technologies Inc customers in the U.S., you can give a minimum of \$5 to OutRight within the Revolut app to get your very own rainbow card.

The Revolut Pride Cash Prize Promotion will be run as one promotion for Revolut Ltd, Revolut Technologies Inc, and Revolut Payments UAB customers. These terms and conditions govern the entire promotion. Just so you know, if you've ordered a Revolut rainbow card prior to the cash prize promotion period this year you won't be able to order another one and you won't see the ILGA banner in the app;

Light Up the Fight Experience Terms

What is the promotion about?

The **Light Up the Fight Experience** promotion (the "**Promotion**") allows one lucky Revolut customer (who meets our eligibility requirements) and their plus one the chance to attend fight week in London to watch Anthony Joshua's fight with Usyk, on **September 25th 2021** and to meet Anthony Joshua in real life for a "meet and greet". These terms and conditions (the "**Terms**") govern the entire Promotion.

Who is eligible for the Promotion?

Anyone who is a Revolut customer of a participating Revolut entity in a participating country is eligible for the Promotion.

An eligible Revolut customer is someone who lives in a participating country (please read the paragraph below for more information), has completed our signup process, passed our onboarding checks, and has not had their account suspended, closed or restricted, and has ordered a AJ Glow-in-the-dark card known as the **"AJ Glow" card**. If you are not already a Revolut customer, you can sign up as a customer (it is free to sign up to our Standard plan), and order an AJ Glow card to become eligible. Read our [FAQ page](#) if you want to understand more about how to order your AJ Glow card. Just so you're aware, a delivery fee may apply for your AJ Glow card; we'll show you what delivery fee applies (if any) before you order your card in the Revolut app.

Revolut Ltd customers based in **England, Scotland and Wales** as well as **Revolut Payments UAB customers** based in, **Belgium, Bulgaria, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Netherlands, Norway, Poland, Slovenia, Romania, Slovakia, Sweden and Ireland** are **eligible to take part in the Promotion**.

For our eligible Revolut Ltd customers, this Promotion will run from **09:00 on Thursday the 12th of August BST** until **21:00 on Thursday the 19th of August BST**. For our eligible Revolut Payments UAB customers, the Promotion will run from **10:00 on Thursday the 12th of August CET** until **22:00 on Thursday the 19th of August**. - Like one of the posts on @anthonyjoshua's account on Instagram about this Promotion from your personal Instagram account.
- **Comment on one of the posts telling us why you would like to attend Anthony Joshua's fight during fight week. The most creative response will win (subject to these terms).** You must post the comment from your personal Instagram account.

- When you comment on one of the posts, tag someone who you want to sit ringside with (you need to tag them by including their Instagram handle in your creative response).

You must complete the steps above during the Promotion Period.

This Promotion is in no way sponsored, endorsed or administered by Instagram. The Promotion will be run from Anthony Joshua's official Instagram account which you can find by searching for "@anthonyjoshua" on Instagram.

What's the Promotion prize?

One eligible Revolut customer and their plus one can:

- Attend the fight between Anthony Joshua and Usyk on September 25th, 2021; and
- Meet and greet Anthony Joshua during fight week.

If you win, Revolut will pay for the following items for you and your plus one:

- Your return journey from the nearest airport or train station to your home address (this should be the address registered to your Revolut account) to London;
- Accommodation in London at a hotel or accommodation provider of our choice for two nights;
- Any travel expenses so you can travel from the London airport or train station where your plane or train arrives into to your accommodation while you are in London and the return journey;
- Any travel expenses so you can travel from your accommodation while you are in London to the event venue and to the meet and greet, and any return journey;
- Any expenses associated with mandatory Covid-19 tests or "fit-to-fly" certificates required by either the country where you live or the United Kingdom so that you can attend the event and return to your country of residence;
- Any expenses associated with mandatory Covid-19 tests required by the event venue; and
- Your floor seats VIP tickets.

Revolut will only cover the costs of the above items. You and your plus one will be responsible for paying for any additional costs that arise as a result of your return journey to London for the event. Your VIP tickets at the fight week event will allow you to have some food and drink at the event but unless we tell you otherwise, you will both be responsible for covering the cost of your meals during your time in London.

Winner Selection

At the end of the Promotion Period, Revolut and/or Anthony Joshua will select the most creative response on the Anthony Joshua Light Up the Fight Experience Instagram post, and Revolut will get in touch with the person who submitted it to confirm if they are eligible to win (please read "**Who is eligible for the Promotion?**" above for more information).

If you have completed the steps under "**How do I participate in this Promotion?**", you will be counted in the prize draw once for your entry (we will store your Instagram handle and your response including the date and time it was made along with other participants' Instagram handles and their responses and response dates and times). Your entry will only be counted in the prize draw once. If you choose to complete these steps more than once by posting on a Light Up the Fight Experience post on Anthony Joshua's Instagram account more than once or you choose to post on more than one post, we will still only include your Instagram handle in the prize draw once.

If you post the same answer as another Revolut customer who has already posted, and if we think that answer is "creative" and a winning answer, we will pick the customer who posted that answer first before you. The decisions as to the administration and operation of the Promotion, including the selection of the winner and their plus one, are final and binding.

If we think your response is a potential winner, we'll reach out to you via your personal Instagram account (the one you used to post the response on Anthony Joshua's official Instagram account) to let you know you've been successful and to ask for the email address associated with your Revolut account so we can identify you as a Revolut customer and confirm that you meet the eligibility requirements (please read "**Who is eligible for the Promotion?**" above for more information). We will contact you through Revolut's official Instagram account (@revolutapp). If you do not meet the eligibility requirements, we will be unable to award you with the prize and we will reach out to the customer whose response we thought was the second most creative.

If you are successful and win, we will need some details from you and your plus one so we can organise your travel to and from London, your accommodation while you are in London and your tickets for the event as well as the "meet and greet". These details will include your names, address, date of birth, and passport numbers (if needed for travel) and any other information needed to plan your experience such as dietary requirements. We will provide you with a 48 hour window from the time we initially reach out to you to confirm your and your plus one's details and availability. If you do not respond within the 48hour window, we will proceed with selecting another customer as the winner.

The winner will be chosen and announced within a maximum of 15 days after the end of the Promotional Period. If we confirm you are the winner but your Revolut account is closed before the prize is awarded and paid for, you will forfeit your prize.

How will you process my data?

If you choose to participate in this Promotion by completing the steps under the "**How do I participate in this Promotion?**" section of these terms, we'll include you in a pool of entrants. As mentioned above in the "**Winner Selection**" section of these terms, Revolut will process entrants' Instagram handles and the content of their response including the date and time of the post, the reason why they want to attend Anthony Joshua's fight during fight week, and the Instagram handle of the person they want to watch the fight with. Revolut will select the most creative response from the pool of entrants and will direct message that customer through their Instagram account. By taking part in the Promotion, you acknowledge that we will process your personal data in this way.

As part of the Promotion, Revolut will film and take photographs of the winner and their plus one attending the Anthony Joshua fight and the “meet and greet” with Anthony Joshua. If you are declared a winner, and you are available to attend fight week, you and your plus one will be asked to agree to Revolut filming and taking photographs of you both at the Anthony Joshua fight and attending the “meet and greet”. You will both be asked to agree to Revolut processing any footage and photographs of you both so that Revolut and the Anthony Joshua team can use the material for marketing purposes on the Revolut and Anthony Joshua Instagram accounts. You will both be asked to consent to the use of the footage and photographs in Instagram posts on the @revolutapp and @anthonyjoshua official Instagram accounts. Revolut will process all personal data obtained through this Promotion in compliance with our [privacy policy](#).
