

# What is this Promotion about?

Revolut is offering eligible customers of Vodafone Ireland the opportunity to sign up to Revolut for the first time and receive the following (the **"Promotion"**):

1. Two months of our Premium plan for free (the **"Free Trial"**); and
2. A €15 cash reward to spend on any eligible Revolut card purchase (the **"Cash Reward"**).

The promotion runs from 21 February 2022 to 21 March 2022 (the **"Promotion Period"**).

These terms (the **"Promotion Terms"**) set out the rules that apply to this Promotion. You must comply with them, and any other terms and conditions that apply to the Revolut account you sign up to.

## What do I need to do to take part in the Promotion?

To be eligible for this Promotion, you must:

- Not have, or previously had, a Revolut account.
- Live at a residential address in Ireland.
- Be directly invited by Vodafone to participate in the Promotion (through either direct marketing, Vodafone's app, or Vodafone's social media).
- Successfully sign up to Revolut during the Promotion Period using the link in the invite you received from Vodafone.

You will only receive direct marketing from Vodafone if you have consented to it.

## How do I start my Free Trial?

When you sign up to your Revolut account, you will have a Standard account by default.

To start your Free Trial of a Premium account, you must be eligible for this Promotion and must upgrade from a Standard account to a Premium account within 72 hours of your Standard account being successfully opened. You can still upgrade within these 72 hours if the Promotion Period ends during them.

Just so you know, our [Premium Terms and Conditions](#) will apply if you upgrade. After the Free Trial, our normal subscription and cancellation fees will apply for your Premium account too. These subscription fees are paid either monthly or yearly depending on what you agree to when you upgrade, but your Premium plan will have a 12 month term regardless of how you choose to pay. Your Free Trial period is a free extension to this 12 month term and does not count towards it. We will show you how long your Free Trial will last for in the app before you sign up.

It is free to cancel your subscription during the Free Trial period, but after that normal cancellation rules and fees will apply. We'll tell you in the Promotion dashboard how long your Free Trial will last, so that you're aware before you sign up. See the "Fees for downgrading your Plus, Premium or Metal subscription" section of the [Premium Terms and Conditions](#) for more information.

### Ordering a Premium card

If you order a Premium card during the Free Trial but also cancel your Premium subscription during the Free Trial, you will have to pay us back for the card, and may have to pay back the delivery fee as well. This is to cover our costs. For this reason, it might make sense to hold off on ordering the card until you decide if you want to keep the plan. See our [Premium Fees Page](#) to find out more about the card fees.

## How do I get my Cash Reward?

To receive your Cash Reward, you must be eligible for this Promotion and make at least one virtual or physical Revolut card payment of at least €1 within the Promotion Period. You will need to add money to your account in order to make this payment.

We'll pay your €15 Cash Reward to your Revolut account within three days of the card transaction being completed.
