if the 72 hour period expires after the end of the Promotion Period. This means your Revolut Personal account must be successfully opened before the end of the Promotion Period but it doesn't matter if you don't upgrade to Premium Plan until after the end of the Promotion Period; you'll still be able to start your Free Trial as long as you upgrade before the 72 hour cut-off. Just so you know, the terms and conditions for your Premium Plan (see [Plus, Premium and Metal Terms](#)) will apply to you during your Free Trial. On the expiry of the Free Trial, normal cancellation and billing rules will apply and we'll start taking payments for your subscription either monthly or yearly depending on what you agreed to when you signed up for the paid plan. If you order a card during your Free Trial period and then cancel your Premium Plan before the end (or at the end) of your Free Trial period, you'll have to pay the card delivery fee and pay us back for the card (except for the Standard and Premium card, where you will only have to pay us the card delivery fee). This is to cover our costs. If your Free Trial is for more than 14 days, then you have the right to cancel your Premium Plan within the Free Trial (your "**cooling off period**") but after the Free Trial period ends, normal cancellation rules will apply.

Make sure you remember that our paid plans are all on 12 month terms whether you choose to pay-monthly or pay-annually. You can leave these paid plans early, but fees may apply if you do. See the "Fees for downgrading your Plus, Premium or Metal subscription" section of the [Plus, Premium and Metal Terms](#) for more information.

Ordering a Premium card

If you cancel your new subscription within the cooling off period but have ordered a Premium card, you'll have to pay us back for the card delivery fee. You may also have to pay a card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel your subscription within your cooling off period. Please refer to the [Premium fees page](#) to see the fees associated with card delivery.

How do I get my Cash Reward?

To receive the Cash Reward, you must complete the steps indicated in the "**What do I need to do to take part in the Promotion?**" above and:

- Order any physical Revolut card. Depending on the card you choose, we may apply card and delivery fees (see our [Premium fees page](#)); and
- make 3 virtual or physical Revolut card payments of a minimum of £1/€1/1SEK/1RON/1zł each within the Promotion Period. It doesn't matter whether this payment is with Flixbus or another merchant. You do not need to wait for your physical Revolut card to arrive to make the 3 payments - you can also use Revolut virtual card to make these payments.

If you do the above during the Promotion Period, the Cash Reward will be credited to your Revolut account within three days of the transaction. The Cash Reward can be used for any physical or virtual Revolut card payments. You will only be paid the Cash Reward once, for your first card payment (not for any subsequent payments).

In order to receive the Free Trial and the Cashback Offer, you must sign up to Revolut through a unique link from Gorillas between the 1st January 2022 00:00 CEST and 1st July 2022 (the **"Promotion Period"**).

Ordinarily, only Revolut Personal users on the Metal plan receive cashback for purchases made using their physical or virtual card (this is set out in the [Plus, Premium and Metal Terms](#)) but this Promotion allows eligible users to receive some money back for spend on Gorillas website during the Cashback Period as long as they make the card payments using their Revolut card. These terms (the **"Promotion Terms"**) set out the rules that apply to this Promotion, and you must comply with these Promotion Terms and also the terms that apply to your Revolut Personal account at all times when participating in this Promotion.

What do I need to do to take part in the Promotion?

To be eligible for this Promotion, you must:

- Live at a residential address in Germany; and
- Either receive marketing directly from Gorillas about this Promotion or see the Promotion marketed in the Gorillas' app and/or on their social media so you can follow the below steps to benefit from the Promotion (you will only receive an email/push notification from Gorillas if you have already provided your personal data to Gorillas and are happy for Gorillas to send marketing to you).

You will also need to complete the following steps:

- Click on the unique link in the email/push notification/in-app banner/social post from Gorillas - this link will redirect you to Revolut's website where you will need to provide your phone number. Once you have provided your phone number, you will be directed to the sign up flow for a Revolut Personal account and will be offered the Free Trial;
- Follow the steps for opening a Revolut Personal account with a Premium plan and complete our Know Your Customer ("**KYC**") checks before the end of the Promotion Period. If you already have a Revolut Personal account you won't be eligible for this Promotion;
- Be successfully onboarded to Revolut (this means you have to pass KYC) with a registered address in Germany with no restrictions on your account before the end of the Promotion Period.

You must complete the above steps by the end of the Promotion Period in order to receive the Free Trial and Cashback Offer.

How do I start my Free Trial?

You can start your Free Trial and take part in the Promotion if you meet the eligibility criteria and have completed the steps outlined in **"What do I need to do to take part in this Promotion?"**. To start your Free Trial, you will need to complete the steps to upgrade your Revolut Personal account to the Premium subscription plan **within 72 hours of your Revolut Personal account being successfully opened even if the 72 hour period expires after the end of the Promotion**

Period. This means your Revolut Personal account must be successfully opened before the end of the Promotion Period but it doesn't matter if you don't upgrade to Premium until after the end of the Promotion Period; you'll still be able to start your Free Trial as long as you upgrade before the 72 hour cut off.

Just so you know, the terms and conditions for your Premium subscription plan (see [Plus, Premium and Metal Terms](#)) will apply to you during your Free Trial. We will not charge you for the period of time included in your Free Trial. We'll tell you in the Promotion dashboard how long you'll receive your selected Premium subscription plan for free so you're aware before you sign up - you'll also be able to see this information in these Terms.

On the expiry of the Free Trial, normal cancellation and billing rules will apply and we'll start taking payments for your subscription either monthly or yearly depending on what you agreed to when you signed up for the paid plan. If you order a card during your Free Trial period and then cancel your Premium subscription plan before the end or at the end of your Free Trial period, you will have to pay us back for the card. This is to cover our costs. For this reason, it might make sense to hold off on ordering the card until you decide if you want to keep the plan.

You have the right to cancel your selected subscription within the Free Trial (your "cooling off period") but after the Free Trial period ends, normal cancellation rules will apply.

Make sure you remember that our paid plans are all on 12 month terms whether you choose to pay-monthly or pay-annually. You can leave these paid plans early, but fees may apply if you do. See the "Fees for downgrading your Plus, Premium or Metal subscription" section of the [Plus, Premium and Metal Terms](#) for more information.

Ordering a Premium card

If you cancel your new subscription within the cooling off period but have ordered a Premium card, you'll have to pay us back for the card delivery fee. You may also have to pay a card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel your subscription within your cooling off period. Please refer to the [Premium fees page](#) to see the fees associated with card delivery.

How do I get my cashback?

If you meet the eligibility criteria and complete the steps outlined in "**What do I need to do to take part in this Promotion?**" before the end of the Promotion Period, you will also be able to receive **the Cashback Offer, which is cashback up to your purchase amount but not more than €20 of cashback if you are a resident in Germany.**

The Cashback Offer applies to all physical or virtual Revolut card payments made on Gorillas' website **during the Cashback Period.** This means, for example, if your Revolut Personal Account is opened on 3rd January 2022, the Cashback Offer will apply for a period of 90 days from 3rd January 2022 . We'll aim to credit the cashback to your account within 7 days of each completed virtual or physical Revolut card payment you make on Gorillas website, subject to these Promotion Terms. If you make a virtual or physical Revolut card payment within the Cashback Period but it is reverted or you seek a refund, you will not be entitled to cashback and if we've already credited your account with cashback, we reserve the right to reverse that cashback. In the latter case, we will consider the reversal of any cashback transaction to have been done with your consent and the payment to have been authorised by you.
