

Revolut x Affiliate Promotion

What is this Promotion about?

As part of the Revolut x Affiliate Promotion (the "**Promotion**"), Revolut is offering users in Italy and Portugal the opportunity to sign up to Revolut for the first time and receive the Premium plan subscription plan for free for a period of time separately specified upon signing up for this Promotion (the "**Free Trial**").

In order to receive the Free Trial you must sign up to Revolut through a unique link from the Affiliate that has promoted the Free Trial (the "**Affiliate**") for the period separately specified upon signing up for this Promotion (the "**Promotion Period**").

These terms (the "**Promotion Terms**") set out the rules that apply to this Promotion, and you must comply with these Promotion Terms and also the terms that apply to your Revolut Personal account at all times when participating in this Promotion.

What do I need to do to take part in the Promotion?

To be eligible for this Promotion, you must:

- Live at a residential address in Italy or Portugal; and
- Either receive marketing directly from the Affiliate about this Promotion or see the Promotion marketed in the Affiliate's app and/or on the Affiliate's website and/or on their social media so you can follow the below steps to benefit from the Promotion (you will only receive an email/SMS/push notification from the Affiliate if you have already provided your personal data to the Affiliate and are happy for the Affiliate to send marketing to you).

You will also need to complete the following steps:

- Click on the unique link for the Promotion from the Affiliate's website or the unique link for the Promotion received in the email/SMS/push notification from the Affiliate - this link will redirect you to Revolut's website where you will need to provide your phone number. Once you have provided your phone number, you will be directed to the sign up flow for a Revolut Personal account and will be offered the Free Trial;
- Follow the steps for opening a Revolut Personal account and complete our Know Your Customer ("**KYC**") checks before the end of the Promotion Period. If you already have a Revolut Personal account you won't be eligible for this Promotion; and
- Be successfully onboarded to Revolut (this means you have to pass KYC with a registered address in Italy and Portugal) with no restrictions on your account before the end of the Promotion Period.

You must complete the above steps by the end of the Promotion Period in order to receive the Free Trial.

How do I start my Free Trial?

You can start your Free Trial and take part in the Promotion if you meet the eligibility criteria and have completed the steps outlined in "**What do I need to do to take part in this Promotion?**".

To start your Free Trial, you will need to complete the steps to upgrade your Revolut Personal account to the Premium subscription plan **within 72 hours of your Revolut Personal account being successfully opened, even if the 72 hour period expires after the end of the Promotion Period**. This means your Revolut Personal account must be successfully opened before the end of the Promotion Period but it doesn't matter if you don't upgrade to Premium until after the end of the Promotion Period; you'll still be able to start your Free Trial as long as you upgrade before the 72 hour cut off.

Just so you know, the terms and conditions for your Premium subscription plan (see [Plus, Premium and Metal Terms](#)) will apply to you during your Free Trial. We will not charge you for the period of time included in your Free Trial. The Free Trial includes a Premium subscription plan for free for a period of time separately specified upon signing up for this Promotion. You will also be able to see this information in the Promotion dashboard in your Revolut App. On the expiry of the Free Trial, normal cancellation and billing rules will apply and we'll start taking payments for your subscription either monthly or yearly depending on what you agreed to when you signed up for the paid plan. If you order a card during your Free Trial period and then cancel your Premium subscription plan before the end or at the end of your Free Trial period, you will have to pay us back for the card. This is to cover our costs. For this reason, it might make sense to hold off on ordering the card until you decide if you want to keep the plan.

You have the right to cancel your Premium subscription plan within the Free Trial (your "cooling off period") but after the Free Trial period ends, normal cancellation rules will apply.

Make sure you remember that our paid plans are all on 12 month terms whether you choose to pay-monthly or pay-annually. You can leave these paid plans early, but fees may apply if you do. See the "Fees for downgrading your Plus, Premium or Metal subscription" section of the [Plus, Premium and Metal Terms](#) for more information.

Ordering a Premium card

If you cancel your new Premium subscription plan within the cooling off period but have ordered a Premium card, you'll have to pay us back for the card delivery fee. You may also have to pay a card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel your Premium subscription plan within your cooling off period. Please refer to the [Premium fees page](#) to see the fees associated with card delivery.
