

# Plan Partnerships

## 1. Why this information is important

These terms and conditions (the “Terms”) govern the relationship between:

- you, and
- us, Revolut Technologies Inc.

They apply whenever you use the Revolut app (the “App”) to access our Plan Partnerships services (the “Plan Partnerships”).

To access the Plan Partnerships, you must be over 18 years old and have an unrestricted and active Personal account on a Metal Plan (an “Eligible Paid Plan”).

Any payments you make or receive on your Personal account when using Plan Partnerships will be governed by the terms and conditions you have agreed for that account with the Revolut group company who provides it. Please refer to the [Personal terms](#) and any other agreements that apply to your Revolut account for more information related to your payment services.

## 2. What are Plan Partnerships?

The Plan Partnerships provide in-app access to subscription perks, credits or passes (“Subscriptions”) from selected partners (“Partners”) which can be redeemed as part of your Eligible Paid Plan.

Available Plan Partnerships are shown in the Revolut App. Each Plan Partnership has its own terms and conditions, which states details of the Subscription and what you need to do to redeem it (the “Offer Terms”). We may change the Plan Partnerships available, and the Offer Terms (including the type or duration of Subscriptions) at any time at our own discretion.

In order to redeem your Plan Partnerships, you may have to open an account with the Partner and agree to the Partner’s own terms and conditions, which means you may also become a customer of the Partner. Revolut has no control over that relationship and will not be responsible for any issues arising from or in connection with the service the Partner provides to you.

## 3. How can you redeem a Partner Offer?

To redeem a Partner Offer, all you need to do is:

- head to the Plan Partnerships dashboard in the Revolut app to see which Subscriptions are available to you;
- choose a Partner Offer in-App and opt-in to redeem the Partner Offer which will redirect you to a unique Partner URL or our dedicated Partner page;
- follow any steps set out in the Offer Terms; and
- if required, agree to the Partner’s terms and conditions when redeeming the Offer (for example, if you need to create an account with them).

You can redeem as many eligible Plan Partnerships as you want from the Plan Partnerships dashboard. Subscriptions can only be redeemed by you as the account holder and cannot be

shared by any means with anyone else.

Where you can redeem or use your Subscription (i.e. your subscription, credit or pass) is determined by the Partner, not by us. For example, a particular Subscription may only be able to be used at certain times or in certain places. Please ensure you check any restrictions imposed by the Partner before you redeem a Subscription.

#### 4. When will your Subscription start?

Most subscriptions will start as soon as you redeem them. If they will start at a different time, this will be set out in the Offer Terms.

#### 5. When might you not receive a Subscription, or have one canceled?

Your Subscription may be reversed if we believe you have:

- breached these Terms, the Offer Terms or any other terms and conditions you've agreed with us or another Revolut group company;
- abused our Partner Offer services (for example, by redeeming someone else's Subscription or sharing your Subscription with another user); or
- caused us, or another Revolut group company, legal, regulatory, relationship or reputational issues by providing you with the Plan Partnerships.

If your Revolut account is or becomes closed, or we apply any restrictions, your Subscriptions will terminate within 30 days of your account being closed or restricted.

Partners may decide to change or cancel subscriptions at their own discretion, and Revolut is not responsible for any changes or cancellations made by Partners to your Subscriptions. If this happens, you may decide to renew it at the Partner's full price.

We may also change or terminate any Plan Partnerships at our own discretion, and when that happens we will try to give you notice before your Subscription with the Partner changes or ends, to the extent possible.

#### 6. What happens if you downgrade?

Our Plan Partnerships vary depending on your Eligible Paid Plan subscription. If you redeem any Subscriptions as part of the Plan Partnerships and then downgrade to any other Revolut plan, your Subscriptions will terminate within 30 days of the date of your downgrade. If the same Subscription exists on the Revolut plan you have downgraded to, you may redeem it again from the Plan Partnerships dashboard once you have downgraded. You may also be required to downgrade directly through the Partner app, as set out in the Offer Terms.

#### 7. Termination of Plan Partnerships

The duration of your Partner Offer will be set out in the Offer Terms. Once the Partner Offer ends, any Subscriptions you have redeemed will usually terminate (unless the Partner decides otherwise) and you may decide to renew directly with the Partner at their full price (if possible), or redeem the Partner Offer again if we decide to renew it.

You may also decide to terminate your subscription with a Partner in accordance with their terms and conditions, by following the steps set out in the Partner app.

#### 8. Who are the Partners?

The Partners that we provide Plan Partnerships in relation to are all third-party partners. We have commercial relationships with all Partners.

Revolut is not responsible or liable in any way for any goods or services you choose to purchase as a result of a Partner Offer. If you have any issues about the goods or services purchased, please raise them with the Partner.

We also have no control over, and accept no liability whatsoever in relation to the contents on any Partner's website or any services they provide to you through the Plan Partnerships.

## 9. Not happy about the Plan Partnerships product?

If you're not happy about the service you've received in relation to Plan Partnerships, we will do our best to make things right where it's within our control. If you have a complaint about Plan Partnerships, please reach out to Support via in app chat. We'll look into your complaint and try to resolve things via email as soon as we can. We may have to refer you to the Partner directly if the complaint relates to an issue which is out of our control.

## 10. Some legal bits and pieces

1. We can change these Terms without advance notice but we'll try to let you know in advance if we can.
2. Only you and we have any rights under these Terms. You cannot transfer any rights or obligations under these Terms to anyone else.
3. We can transfer any of your and our rights or obligations under these Terms to a third party, but only if we reasonably think that this won't have a significant negative effect on your rights under these Terms or if we need to do so to keep to applicable legal or regulatory requirements.
4. We may suspend the use of Plan Partnerships products if, in our sole discretion, the products are being abused or may negatively affect Revolut's goodwill or reputation. We may do this on an individual or product-wide basis.
5. We might provide a translation of these Terms. If we do, the translation is for reference only and the English version will govern.
6. The laws of New York apply to these Terms. If you want to take legal action against us in the courts, only the courts of New York County can deal with any matter relating to these Terms.
7. If you have breached these Terms and we don't enforce our rights, or we delay enforcing them, this will not prevent us from enforcing those or any other rights at a later date. This is also the case if we have any legal rights that we don't enforce straight away.
8. For Plan Partnerships, we may share de-identified and pseudonymised transaction data relating to your use of Partner URL or our dedicated Partner page to redeem Subscriptions so that the Partner can verify that you have redeemed a Subscription from them. We need to do this to be able to provide you with the Plan Partnerships under these Terms. For information about how we process your personal data, please refer to our [Privacy Policy](#).
