How do I get my cashback?

If you meet the eligibility criteria and complete the steps outlined in "What do I need to do to take part in this Promotion?" before the end of the Promotion Period, you will be able to receive the Cashback Offer, which is cashback on all of your eligible business transactions as a FREENOW driver when using your special edition card under your Revolut Pro account. Do not worry, you do not need to have a physical special edition card in order to qualify for the cashback. Cashback can be earned for each physical or virtual special edition card payment you make during the cashback period Promotion Period. For example, if you completed the above steps on August 1, 2023, you can earn cashback on all of your eligible transactions until August 1, 2024.

For the first €11,500 (or currency equivalent) you spend on **all of your eligible transactions you will be eligible to receive:**

- 0.4% cashback as a Standard and Plus user;
- 0.6% cashback as a Premium user; or
- 0.8% cashback as a Metal user.

For any cumulative spend between €11,501 - €17,000 (or currency equivalent) on all eligible transactions, you will be entitled to receive 1.5% cashback. The same cashback rate applies to all subscription plans. If you exceed the total spend of €17,000 on eligible transactions during the Promotion Period, you will receive 1% cashback. The same cashback rate applies to all subscription plans.

For Ireland customers the total value of cashback shall not exceed €2,000 during the cashback period

We'll credit the cashback to your Revolut Pro account at the end of each calendar month, subject to these Promotion Terms. If you make a virtual or physical Revolut special edition card payment within the cashback period but it is reverted or you seek a refund, you will not be entitled to cashback and if we've already credited your Revolut Pro account with cashback, we reserve the right to reverse that cashback. In the latter case, we will consider the reversal of any cashback transaction to have been done with your consent and the payment to have been authorised by you.

Which transactions are eligible for cashback?

We can't give you cashback when doing so would break any law or regulation. You should also know that the cashback will be provided to you when you pay for certain things with your special edition card, therefore, if the payment you make with your Revolut special edition card

is just to another account or payment card (such as another e-wallet, a bank account or a card account), the cashback will not be credited.

Sometimes we can recover the cashback from you if:

- the payment that earned the cashback is refunded to you;
- you earned the cashback fraudulently;
- you used your special edition card for personal transactions and not transactions relating to your business activity; or
- you broke these Promotion Terms or the Terms and Conditions that apply to your Revolut Personal account or Revolut Pro account in order to get the cashback.

We may recover the amount of the cashback by taking it out of your Revolut Pro account or your Revolut Personal account. We will consider the recovery of any cashback to have been done with your consent and the payment to have been authorised by you.

How do I order my special edition card?
