What is this promotion about?

Revolut is looking to reward new Revolut credit card holders, who meet conditions to be a participant of the promotion.

We can cancel this promotion or change these terms and conditions, at any time as set out in these promotion terms.

Please read these promotional terms and conditions carefully.

Who is eligible for the promotion?

This promotion is open to **Lithuanian** users who applied for and concluded a Credit Limit Agreement with Revolut Bank UAB within the period of this promotion which starts from the 8th of September 2022 and continues until we change or end this promotion in accordance with these promotion terms.

Benefits that you gain when you are a participant of the promotion

Under the promotion we make available an additional benefit for eligible customers called "**cashback**".

What is a cashback?

When you make a purchase with your Revolut credit card, Revolut Bank UAB will credit your cashback balance with an amount of money equivalent to a percentage of your payment. We call this a cashback. The cashback amounts to the percentage of any payment with your Revolut credit card. The exact rate of your cashback is visible in the Revolut app in your credit card management screen. We may change the percentage of the cashback for any reason, including the country you make the payment in or the merchant you make the payment to. You will be informed about all changes of the percentage of the cashback by email or in the Revolut app.

The cap of the maximum amount of cashback that can be earned is provided for you in the credit card management screen of the Revolut app.

Remember that the cashback refers only to completed purchases with Revolut credit card using the Credit Limit product provided by Revolut Bank UAB.

Cashback is earned on credit card purchases and rounded down to the nearest full amount. Cashback will also be calculated on cleared or non-pending purchases only.

After the end of this promotion the cashback balance will remain active, until it is transferred to your Credit Limit balance, either manually by you using the "Collect" button in the Revolut mobile app or automatically disbursed by us on the 1st day of the following calendar month. If you decide to close your Revolut credit card account, you have two options: you can have your cashback earned paid towards the outstanding Credit Limit balance and reduce the amount you need to repay to be able to close your account. If your outstanding is already zero, you can have your cashback paid towards your main Revolut account.

Your cashback balance will be stored by Revolut Bank UAB. The cashback that you earned can be viewed in the Revolut app in your credit card management screen or in your monthly Revolut account statement.

Revolut Bank UAB will transfer your cashback balance to your Credit Limit balance on a monthly basis together with other payments under Credit Limit Agreement. Also, you can use the "Collect" button in the Revolut app and then select the amount you want to collect to your Credit Limit balance, as long as the amount can be rounded to the nearest cent, cashback can be collected any time.

Cashback cannot be used towards minimum payment (the minimum payment to be paid each month under the Credit Limit Agreement) to any outstanding Credit Limit balances. If you are in arrears, you can still earn cashback. However, you cannot redeem cashback from your cash back balance until you clear your arrear and are in good standing again.

Sometimes we recover the cashback from you if:

- the payment that earned the cashback is refunded to you;
- you earned the cashback fraudulently; or
- you did not comply with these terms and conditions in order to get the cashback.

We will recover the amount of cashback by taking it out of your cashback balance. We will consider the recovery to be done with your consent and the payment to be authorised by you.

If we cannot recover the amount of the cashback from your cashback balance, you will still owe us the relevant amount. We may then recover the amount from a stored card or exercise our right of set-off. We may also take legal steps to recover the amount you owe us. If we do, you may have to pay our reasonable costs of doing so. You can read more about how we can recover amounts that you owe us in the Section 28 of the Personal Terms.

Payments that won't earn a cashback

Remember that the cash back refers only to completed purchases with your Revolut credit card, using the Credit Limit under the Credit Limit Agreement, so only when you buy things with Revolut credit card and use the Credit Limit. Cash back does not apply to the transfers, payments (other than purchase transactions) and ATM withdrawals.

We can't give you cashback when doing so would break any law or regulation. You will be informed about such cases in the Revolut app.

Legal bits and pieces

These promotional terms and conditions come into force when you complete your first eligible purchase with your Revolut credit card as set above in these terms.

We can suspend, end or cancel this promotion or change these promotion terms at any time by giving you a notice through the Revolut app and/or by email at least 60 days in advance. If we suspend or end this promotion, we will remove these promotion terms from our website. If we change the promotion terms, we will make the updated terms available on our website.

If we have reasonable grounds to believe that you have engaged in any fraud or material abuse of this promotion (for example, attempting to obtain an unfair advantage through deception) we may in our sole discretion take any actions we see fit in the circumstances.

These terms are published in Lithuanian and in English, any translation is a courtesy and office translation only - participants of the promotion cannot derive any rights from the translated version. Free Trial of any paid plan for selected standard users

What is this promotion about?

We are inviting **selected Revolut Ltd and Revolut Payments UAB Standard customers** to try one of our paid Personal subscription plans (Plus, Premium or Metal; **"Paid Plan"**) for free for a period of time as agreed by us (**"Free Trial Promotion"**). Selected customers will be able to access this Free Trial Promotion by clicking through the relevant screens in the Free Trial Promotion dashboard in their Revolut app.

Who is eligible for the Free Trial Promotion?

The Free Trial Promotion is open to selected Revolut Ltd and Revolut Payment UAB customers on a Standard plan who have passed our Know Your Customer requirements and have been successfully onboarded as Revolut customers. Customers who are selected will be shown the Free Trial Promotion dashboard in their Revolut app. This Free Trial Promotion runs for a period of time at Revolut's discretion (the **"Promotion Period"**).

How do I start my Free Trial?

Starting your Free Trial is easy. As long as you've been selected and are able to see the Free Trial Promotion dashboard in your Revolut app, all you need to do is sign up to a Paid Plan during the Promotion Period and meet the criteria set out in these terms and conditions.

Just so you know, the terms and conditions for your selected Paid Plan (e.g. the terms and conditions that apply to Metal if you choose to trial Metal) will apply to you during your Free Trial. We will not charge you for the period of time included in your Free Trial. We'll tell you in the Free Trial Promotion dashboard how long you'll receive your

selected Paid Plan for free, whether it's for a month or shorter or longer than that so you're aware before you sign up. After your Free Trial ends, by default you will remain on your selected Paid Plan unless you tell us otherwise, and normal billing (whether monthly or annually) will apply.

If you order a card during your Free Trial period and then cancel your Paid Plan before the end or at the end of your Free Trial period, you will have to pay us back for the card. This is to cover our costs. For this reason, it might make sense to hold off on ordering the card until you decide if you want to keep the plan.

If your Free Trial is for less than 14 days (including weekdays and weekend days), then you'll have 14 days from the day your Free Trial starts to cancel your subscription (we call this the "cooling off period") but after that point normal cancellation rules will apply. If your Free Trial is for more than 14 days, then you have the right to cancel your selected subscription within the Free Trial (your "cooling off period") but after the Free Trial period ends, normal cancellation rules will apply. Make sure you remember that our Paid Plans are all on 12 month terms whether you choose to pay-monthly or pay-annually. You can leave these Paid Plans early, but fees may apply if you do. See cancelling your plan for more information.

Ordering a Metal card

If you cancel your new subscription within the cooling off period but have ordered a Metal or Premium card, you'll have to pay us back for the card delivery fee. If the card you ordered was a Metal card, you'll also have to pay us for the Metal card itself. You may also have to pay a card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel your subscription within your cooling off period. Please refer to the [Metal fees page](#) to see the cost of the Metal card in your market, and fees associated with card delivery.

Ordering a Premium card

If you cancel your new subscription within the cooling off period but have ordered a Premium or Standard card, you'll also have to pay us back for the card delivery fee. You may also have to pay a card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel your subscription within your cooling off period. Please refer to the [Premium fees page](#) to see the fees associated with card delivery.

Ordering a Plus card

If you cancel your new subscription within the cooling off period but have ordered a Plus or Standard card, you'll also have to pay us back for the card delivery fee. You may also have to pay a card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel your subscription within your cooling off period. Please refer to the [Plus fees page](#) to see the fees associated with card delivery.
