

International Invitee Country Rewards:

Please see below for the reward tiers based on your Invitee's country of residence when they join one of our Eligible Markets. For each successful referral to Invitees residing in one of the countries listed below, you will receive the equivalent of the amount shown, paid in the base currency of your Revolut Personal account.

If your Invitee's country of residence is not listed below, you will receive the reward per the In-app Referral Invite page.
