

Revolut Business x Affiliate Promotion

What is this Promotion about?

As part of this Revolut Business x Affiliate Promotion (the "**Promotion**"), Revolut is offering businesses (companies or freelancers (self-employed natural persons)) in the United Kingdom, and in selected Revolut Bank UAB markets, the opportunity to sign up to Revolut Business for the first time and receive a free trial of one of our paid plans (the "**Free Trial**").

The Promotion will be marketed in the following ways:

- directly by the Affiliate via email, an online newsletter, SMS or push notification (but only if you have provided your personal data to the Affiliate and are happy to receive marketing of this kind from them); and/or
- it will be integrated into the Affiliate's customer sign-up flow, or hosted on the Affiliate's website and/or on their social media and/or printed on certain physical marketing materials in written form or embedded in a QR code on those materials.

We refer to the above as the "**Affiliate Promotional Content**"

The Promotion will run for a specific period of time (called the "**Promotion Period**") as clearly set out in the Affiliate Promotional Content or on the Revolut website page linked to in the Affiliate Promotional Content (called the "**Revolut landing page**").

In order to receive the Free Trial, you must sign up for a Revolut Business account through a unique Revolut Business x Affiliate link during the Promotion Period.

The length of the Free Trial is one month. After the Free Trial ends, normal fees and cancellation rules apply.

These terms (the "**Promotion Terms**") set out the rules that apply to this Promotion, and you must comply with these Promotion Terms and also the terms that apply to your Revolut account at all times when participating in this Promotion.

What do I need to do to take part in the Promotion?

To be eligible for this Promotion, your business must:

- **be new to Revolut Business** - if your business already has a Revolut Business account or had a Revolut Business account previously, you won't be eligible for this Promotion. (If you are a freelancer and your only account is a Revolut Personal account (with or without Revolut Pro enabled) you can still take part in this Promotion);
- **have a registered address in an eligible Revolut Ltd or Revolut Bank UAB market** - you will be able to see which markets are eligible on the Affiliate's Promotional Content as well as on the Revolut landing page; and
- **have received or have access to a unique link for the Promotion from the Affiliate** - this will be included in the Affiliate Promotional Content.

To take part in the Promotion, you need to do the following (we call these the "**Promotion Sign-up Steps**"):

- **click on the unique link** mentioned above - this link will redirect you to the Revolut landing page where you can begin the sign up flow;
- **follow the steps for opening a Revolut Business account;**
- **complete our Know Your Business ("KYB") checks** before the end of the Promotion Period and be successfully onboarded to Revolut Business (this means you have to pass KYB with a registered address in an eligible Revolut Ltd or Revolut Bank UAB market - the Affiliate Promotional Content will confirm which markets are in scope for the Promotion) with no restrictions on your account; and
- **top up your account** before the end of the Promotion Period.

You must complete the above steps by the end of the Promotion Period in order to receive the Free Trial.

How does the Free Trial work?

The Promotion is available for our Freelancer Ultimate, Freelancer Pro, Business Grow, Business Scale and Business Enterprise plans.

The length of the Free Trial is one month for all plans.

Your Free Trial will start as soon as you complete the Promotion Sign-up Steps mentioned above.

We will not charge you for the period of time included in your Free Trial. You have the right to cancel your chosen subscription during the Free Trial (your "**Cooling-off Period**").

If you want to downgrade to another plan or close your Business account, both of which we refer to as "downgrading", you will not be charged a fee as long as you ask us to downgrade before the end of the Cooling-off Period. This is in line with the [Business Terms](#) (see the "Legal bits and pieces" section of those terms for more information). We will process your downgrade within one week of receiving your request. Please note that if you submit your downgrade request close to the end of the Free Trial, you may still be automatically charged for your chosen subscription plan. However, we will refund those fees on your Revolut Business account within one week of us processing your downgrade request.

If you order a card and ask us to downgrade before the Cooling-off Period, you will have to pay us back for the card delivery fee. If the card was a Metal card, you will also have to pay us for the cost of the card itself. If you order a second card or additional Revolut cards and you decide to cancel your chosen subscription within your Cooling-off Period, you may also have to pay us back for the card delivery fees. Please refer to the Fees page for your chosen subscription plan ([Company Fees Pages](#) and [Freelancer Fees Pages](#)) to see the fees associated with card delivery and Metal cards.

On the expiry of the Free Trial, you will remain on your chosen subscription unless you tell us otherwise, and normal cancellation and billing rules will apply (please see the "Legal bits and pieces" section of the [Business Terms](#) for more information and the Fees page ([Company Fees Pages](#) and [Freelancer Fees Pages](#)) that applies to your chosen subscription plan for more information on what happens if you cancel within three months of ordering a Metal card. You can choose to pay monthly or annually for our paid plans. We'll start taking payments for your chosen subscription either monthly or yearly depending on what you agreed to when you signed up for the paid plan.

You can also end your chosen subscription at any time after the Free Trial. However, you may have to pay fees if you do.
