What terms apply to my Revolut Business Account?

Revolut's Business accounts are each subject to the [Revolut Business Terms](#). If you elected a paid subscription plan, make sure you remember that our paid plans are all on 12-months terms whether you choose to pay monthly or annually. You can leave these paid plans early, but fees may apply if you do.

Ordering a card

You can order a card directly in the app. In some cases, you may have to pay a card delivery fee. Please refer to the [Business Fees Page](#) to see the fees associated with card delivery for each Revolut Business plan.

Virtual Cards

Virtual cards are available directly in the Revolut mobile application. Qualifying transactions made with Revolut virtual cards during the Promotional Period are eligible for the Cashback Bonus.

How do I get my cashback?

If you are selected for the Promotion and complete the steps outlined in "What do I need to do to take part in this Promotion?" While the Promotion is active, you will be able to receive the Cashback Bonus, which is monthly cashback on Qualifying Purchases made with your physical or virtual Revolut card until the end of the Promotion.

Cashback Bonus will be credited to the account once monthly, typically on the first calendar day of each month (the "Cashback Period"). If your Revolut Business account is closed, any Cashback Bonus amount that was accrued during the Cashback Period but not yet paid may be forfeited.

Cashback Bonus on Qualifying Purchases will be calculated at the individual transaction level and the resulting Cashback Bonus amounts (as applicable) will be rounded using the "round half to even" method. Under the "round half to even" method, Cashback Bonus will be rounded to the nearest cent, with values of 0.005 being rounded up or down to the nearest even number. For example, an amount of \$3.255 would be rounded up to \$3.26 and an amount of \$4.465 would be rounded down to \$4.46.

Revolut reserves the right, in our sole discretion, to determine the validity of Qualifying Purchases. If you make a Qualifying Purchase within the Cashback Period but it is reverted or refunded, you will not be entitled to the Cashback Bonus earned from the purchase. If we've already credited your account with Cashback Bonus from a Qualifying Purchase that was reverted, refunded, or otherwise determined not to be a Qualifying Purchase, we will reverse the associated Cashback Bonus amount(s). You hereby consent to and authorize us to reverse any Cashback Bonus.

If you believe that you are owed an amount of Cashback Bonus that you have not received, please reach out to Revolut via in-app chat within sixty(60) calendar days after receiving your statement and we will perform an investigation promptly. It is determined that any Cashback Bonus amount is owed to you, we will credit any amounts due to you.

Qualifying Purchases

The Cashback Bonus applies on Qualifying Purchases made on your physical or virtual Revolut card during the Promotion. A Qualifying Purchase is any purchase made using your physical or virtual Revolut card during the Promotion, subject to the below.

Qualifying Purchases may exclude, among other things at Revolut's discretion, and may change from time to time: ATM transactions, the purchase of money orders or other cash equivalents, gift cards, any cash back portions of point-of-sale transactions, Peer-to-Peer (P2P) payments (such as Apple Pay Cash or Google Pay), currency exchange service providers, utilities, schools and education services, certain insurance premiums, and loan payments or account funding made with your Revolut card are not eligible for Cashback Bonus. In addition, purchases made

using third-party payment accounts (services such as Venmo® and PayPal™, who also provide P2P payments), cryptocurrency-related transactions, gambling, and securities transactions (including stock purchases) are not eligible for the Cashback Bonus.
