How do I start my Free Trial?

Free Trials are available for Basic, Grow and Scale Revolut Business subscription plans. Each Free Trial is one month in length. Only one Free Trial may be redeemed per business customer.

The Free Trial will start as soon as you complete the Required Steps mentioned above. We will not charge you for the period of time included in your Free Trial. You have the right to cancel your chosen subscription plan at any time during the Free Trial (the **Cooling-off Period**).

If you want to downgrade to another plan or close your Revolut Business account (we refer to both as **downgrade**), you will not be charged a fee as long as you ask us to downgrade before the end of the Cooling-off Period.

If you order a physical card and ask us to downgrade before the Cooling-off Period, you will have to pay us back for the card delivery fee. If the card was a Metal card, you will also have to pay us for the cost of the card itself. If you order a second card or additional Revolut cards and you decide to cancel your chosen subscription within your Cooling-off Period, you may also have to pay us back for the card delivery fees. Please refer to the [Fees page](#) for your chosen subscription plan to see the fees associated with card delivery and Metal cards.

The [Fees page](#) sets out the card delivery fee and the price of all Revolut cards.
