How do I enter the prize draw?

Within 15 business days after the end of the Promotion Period, we will include the details shared during the registration process of all Eligible Participants (as per the Required Steps above) in the prize draw, and we will randomly select from the pool of Eligible Participants the winners. The number of winners varies for each Prize.

If you are the winner, we will notify you via email (to the email address registered to your Business account). You will have 15 business days from the time we initially reach out to you to accept the Prize. If you do not respond within this time, we will randomly select another Eligible Participant from the Prize Draw to be the winner of the Prize you've been awarded.

If we contact you to tell you have won but within 15 business days of contacting you we realise that you no longer meet the criteria to be considered an Eligible Participant, we will be unable to award you with the Prize, and we will randomly select another Eligible Participant from the Prize Draw to be the winner of the respective Prize.

Each Eligible Participant who is selected as a winner will have the same amount of time to accept the Prize.

Our decisions on how to run and manage the Promotion, including the selection of the winner, are final and binding.
