

Revolut Gift Card Terms (Brazil)

1. What is this document?

This document (the “**Terms**”) forms the legal agreement between you and the Revolut entity (**Revolut/we/us**) which provides you with RevPoints, for the Revolut Gift Cards (the “**Revolut Gift Cards**”).

In order to be eligible to redeem RevPoints for Revolut Gift Cards, you must (i) have an active Revolut Personal Account in Brazil and (ii) be a RevPoints user. The [Personal Terms](#), the [Paid Plan Terms](#) (as applicable) and the [RevPoints Terms](#) will also always apply to you when you use Revolut Gift Cards.

2. What is a Revolut Gift Card?

A Revolut Gift Card is a feature provided by Revolut which enables you to redeem your RevPoints into what we call a Revolut Gift Card. When you decide to redeem your RevPoints for a Revolut Gift Card, you select any of the merchants for which these are available in the Revolut App (the “**Merchant**”) and we create a Revolut Gift Card in the name of that Merchant. This Revolut Gift Card is then available to you to use when making purchases with that Merchant using your personal Revolut card.

A Revolut Gift Card operates by reimbursing its value to your account after you have made a purchase with a Merchant; this means that **in order to use the Revolut Gift Card you must have sufficient funds in your Revolut account to cover the whole amount of your purchase.**

The inclusion of a Merchant does not imply any endorsement or partnership.

3. How do I use a Revolut Gift Card?

Once you make a purchase, **you will automatically receive a reimbursement for the value of your Revolut Gift Card up to the value of your purchase in your Revolut Account.** You must have the sufficient amount in your personal Revolut Account to cover the entire cost of the purchase. All reimbursements will be processed in Brazilian Reais (BRL), regardless of the currency used for the original transaction. You will only receive a reimbursement for the value of the Revolut Gift Card if:

- Your purchase with a Merchant is in the same currency as your Revolut Gift Card;
- You make the purchase with your personal Revolut Card.

If your purchase with a Merchant is below the value of a Revolut Gift Card, you can use it for future purchases for its remaining value with that Merchant. If you have more than one Revolut Gift Card for the same Merchant, we'll use the oldest Revolut Gift Card first.

4. Does a Revolut Gift Card expire?

A Revolut Gift Card is valid for **one year** from the day you get it. After this period, any unused balance will expire.

5. Legal bits and pieces
