

What is this Promotion about?

As part of the Revolut x Influencer Top Up and Travel Promotion (the "**Promotion**"), Revolut is offering users in **France** the opportunity to sign up to Revolut for the first time using a link or a code provided by an affiliated Revolut partner, like a YouTuber, Instagramer or podcaster (the "**Partner**") and:

- receive a cashback of €20 or currency equivalent (the "**Cashback**") for eligible transactions made during the Promotion Period; and
- win a return flight and hotel stay from a prize draw (the "**Prize**").

We will run several such Promotions, which will give you opportunities to win the Prize and receive Cashback. The specific information relevant to a particular Promotion will be specified on the Promotion landing page, which you can access via the link provided by our Partner ("**Landing Page**"). **The Landing Page for each Promotion will specify:**

- Eligible Countries;
- The time period, during which you can enter into the Prize draw ("**Promotion Period**");
- All details about the Prize;
- The time period, during which you are eligible for the Cashback ("**Cashback Period**") and the Cashback amount in your local currency (other than EUR).

These terms (the "**Promotion Terms**") set out the rules that apply to this Promotion, and you must comply with these Promotion Terms and also the terms that apply to your Revolut Personal account at all times when participating in this Promotion. You will also need to complete the steps listed in "**What do I need to do to take part in the Promotion?**" before the end of the Promotion Period indicated in the Landing Page.

What do I need to do to take part in this Promotion?

To be eligible for this Promotion and a draw for the Prize, you must:

- live at a residential address in one of the Eligible Countries. Please check the Landing Page for Eligible Countries for the specific Promotion;
- Be at least 18 years of age;
- be a new Revolut Personal customer (this means that you must not currently hold a Revolut Personal account or have held an account with Revolut in the past (whether this account was with Revolut Ltd, Revolut Bank UAB, a branch thereof or another Revolut company));
- use a unique link or code provided by a Partner that is valid in Eligible Countries (as specified in the Landing Page). If you do not use a valid link or code – for example, if you sign up using the normal account opening process on our website or app, or if you sign up using a link or code that is not valid in the specified Eligible Countries – you will not earn Cashback or become eligible to participate in a draw to win a Prize.

You will also need to complete the following steps:

- Click on the unique link which will be announced in the social media post, provided in the description box of the post or Partner's social media profile. The link will redirect you to the Landing Page where you will need to provide your phone number. Once you have provided your phone number, you will be directed to the sign up flow for a Revolut Personal account;
- Follow the steps for opening a Revolut Personal account and complete our Know Your Customer ("**KYC**") checks before the end of the Promotion Period, which you will be able to see on the Landing Page;
- Be successfully onboarded to Revolut (this means you have to pass KYC) with a registered address in one of the Eligible Countries with no restrictions on your account;
- Make your first top up of at least **€1** or currency equivalent to your Revolut Personal account. Your first top up can be made by bank transfer or by using a debit card that you have registered with us;
- Once you have topped up your Revolut Personal account you will need to use your balance to make one (1) virtual or physical Revolut card payment of any value. Don't worry – you don't need a physical card to make a payment: you can easily generate a virtual card in the Revolut app and use it for this purpose.

You must complete all of the above steps by the end of the Promotion Period in order to participate in the prize draw to win the Prize.

In addition, to be eligible for the Cashback you must:

- Make one or several virtual and (or) physical Revolut card transactions with a total value equal or more than **€20 or currency equivalent** (as specified in the Landing Page) within the Cashback Period. The link provided by our Partner will be valid until the end of the Cashback Period.

Once your transaction(s) reach a total value of €20, you will become eligible to receive a €20 Cashback. The maximum amount you can earn in the form of a Cashback is €20, which means that if the total value of your transaction(s) exceeds €20, you will still receive €20 of Cashback. Card transactions to earn Cashback or win the Prize must be **genuine purchases** (for example, transactions to payment service providers, other bank accounts and e-wallets will not be genuine).

How do I win the Prize?

Customers who complete the steps outlined in "**What do I need to do to take part in this Promotion?**" will be put in the online draw to win the Prize. On the day following the end of the "**Promotion Period**" one **(1)** winner will be chosen in a random draw in line with the below steps:
